Section 1: Instructions to Tenderers

A. General

1. Scope of Tender

1.1 The Procuring Entity (PE), as defined in the Tender Data Sheet (TDS), invites Tenders for the construction of works, as described in the TDS. The name and procurement reference number of the Contract of the Tender Document are provided in the TDS. The Instructions to Tenderers should be read in conjunction with the TDS.

1.2 The successful Contractor will be expected to complete the works by the Intended Completion Date specified in the Special Conditions of Contract (SCC).

1.3 Throughout this Tender document:

(a) the "Contractor" means the service provider.

(b) "day" means calendar day unless specified as working day.

(c) "day works" means varied work inputs subject to payment on a time basis for the Contractor's employees and Equipment, in addition to payments for associated Materials and Plant.

(d) The "Employer" means the Procuring Entity.

(e) "ESHS" means environmental, social (including sexual exploitation and abuse (SEA) and gender -based violence (GBV)), health, and safety.

(f) "In writing" means hand-written, type-written, printed, or electronically made, and resulting in a permanent record.

2. Source of Funds

2.1 The PE has an approved budget towards the cost of the procurement named in the TDS. The PE intends to use these funds to place a contract for which this Tender Document is issued.

2.2 Payments will be made directly by the PE and shall be subject to the terms and conditions of the resulting contract placed by the PE.

3. Corrupt and Fraudulent Practices

3.1 It is the policy of the Government of the Kingdom of Eswatini through ESPPRA to require that PEs, as well as Contractors Sub observe the highest standards of ethics during procurement and the execution of contracts.

(a) In pursuit of this policy, the Government of Eswatini defines, for this provision, the terms set forth below as follows:

(i) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value, to influence the action of a public official in the procurement process or in contract execution.

(ii) "fraudulent practice" means as any such practices under the code of ethics of the providers and not limited to misrepresentation of facts to influence a procurement or process or the execution of a contract to the detriment of the procuring or disposing entity, and includes collusive practices among Contractors before or after Tender submission designed to establish Tender prices at artificial non-competitive levels and to deprive the PE of the benefits of free and competitive competition;

(b) The PE shall reject a recommendation for award if the Contractor recommended for award has engaged in corrupt or fraudulent practices; and

(c) The Agency shall suspend a contractor from engaging in any public procurement proceedings for a stated time in accordance with the Procurement Act and the Regulations made under the Act, if the provider has engaged in corrupt or fraudulent practices.

3.2 In pursuit of the policy defined in ITT Sub-Clause 3.1, the PE may terminate a contract for works, if it at any time determines that corrupt or fraudulent practices were engaged in by representatives of the PE or of a Contractor or sub-Contractor during the procurement or the execution of a contract.

3.3 In further pursuit of the policy defined in ITT Sub-Clause 3.1, the Agency requires representatives of both the PE and of Contractors and sub-Contractors to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Contractors and Providers as provided in the Tender forms shall be signed by the Contractor and submitted together with the other Tender forms.

3.4 Any communications between a Contractor and the PE related to matters of alleged fraud or corruption must be made in writing and addressed to the Controlling Officer of the PE.

4. Eligible Contractors

4.1 A Contractor, and all parties constituting the Contractor, shall meet the following criteria to be eligible to participate in public procurement:

(a) The Contractor has the legal capacity to enter a contract with the PE.

(b) The Contractor is not:

(i) Insolvent.

(ii) In receivership.

(iii) Bankrupt; or

(iv) Being wound up

(c) The Contractor's business activities have not been suspended.

(d) The Contractor is not the subject of legal proceedings for any of the circumstances in (b); and

	(e) The Contractor has fulfilled his or her obligations to pay taxes and social security contributions. (f) The Contractor is not a member of the Entity Tender Board or an employee of the Procuring Entity.
4.2	A Contractor may be a physical person or artificial person, such as an entity. A combination of persons can Tender if they have an agreement to form a Joint Venture (JV), Consortium or Association. Such a Tender shall include a Power of Attorney from each party authorizing a representative to conduct all business for and on behalf of the party during the Tender process, contract signature and contract execution. Each party to the JV, Consortium or Association shall be a signatory to the contract with the PE and shall be jointly and severally liable.
4.3	A Contractor, and all parties constituting the Contractor including sub-contractors, shall have the nationality of an eligible country, in accordance with Section 5, Eligible Countries. A Contractor shall be deemed to have the nationality of a country if the Contractor is a citizen or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country. This criterion shall also apply to the determination of the nationality of proposed subcontractors for any part of the Contract including related services.
4.4	A Contractor shall not have a conflict of interest. Any Contractor found to have a conflict of interest shall be disqualified. A Contractor may be considered to have a conflict of interest with one or more parties in this Tendering process, if the Contractor: (a) Has controlling shareholding with another Contractor; or (b) Receives or has received any direct or indirect subsidy from another Contractor; or (c) Has the same authorized representative for purposes of this tendering process as another Contractor; or
	(d) Has a relationship with another Contractor, directly or through common third parties, that puts the Contractor in a position to have access to information about or influence the Tender of another Contractor, or influence the decisions of the PE regarding this tendering process; or
	(e) Submits more than one Tender in this Tendering process, except for alternative Tenders permitted under ITT 19. However, this does not limit the participation of subcontractors in more than one Tender, or as Contractors and subcontractors simultaneously: or (f) Is associated, or has been associated in the past, directly or indirectly, with the consultant or any other entity that has prepared the design, specifications, and other documents for the Project or is being proposed as Project Manager for the Contract. A Contractor that has been engaged by the PE to provide consulting services for the preparation or supervision of the works, and any of its affiliates, shall not be eligible to Tender.

4.5	A Contractor that is suspended by the Agency shall not be eligible to participate in the Tendering process.
4.6	Government-owned enterprises shall be eligible only if they can establish that they are legally and operate under commercial law.
4.7	Contractors shall provide such evidence of their continued eligibility satisfactory to the PE, as the PE shall reasonably request.
4.8	To establish eligibility in accordance with ITT 4, a Contractor shall complete the eligibility declarations in the Tender Submission Sheet, included in Section 4, Tender Forms and submit the documents required in Section 3, Evaluation Methodology and Criteria.
4.9	A Contractor whose circumstances in relation to eligibility change during a procurement process or during the implementation of a contract, shall immediately inform the PE.
4.10	All materials, equipment and services to be used in the performance of the contract shall have as their country of origin an eligible country in accordance with Section 5, Eligible Countries.
5.	**Qualification of the Contractor**
5.1	To establish its qualifications to perform the Contract, the Contractor shall complete and submit: (a) The Qualification Form provided in Section 4, Tendering Forms; and (b) The information and documents stated in Section 3, Evaluation Methodology and Criteria.
5.2	The qualifications of the best evaluated Contractor will be assessed as part of a post-qualification in accordance with ITT 40.
6.	**Joint Ventures, Consortia and Associations**
6.1	Tenders submitted by a JV, Consortium or Association shall include a copy of the Joint Venture, Consortium or Association Agreement signed by all parties to the Joint Venture, Consortium or Association Agreement.
6.2	In addition to the requirements under ITT 15.1, Tenders submitted by a joint venture, consortium or association of two or more firms as partners shall comply with the following requirements, unless otherwise stated in the TDS:
	(a) The Tender shall include all the information listed in Section 3, Evaluation Methodology and Criteria for each partner;
	(b) The Tender shall be signed to be legally binding on all partners;
	(c) All partners shall be jointly and severally liable for the implementation of the Contract in accordance with the Contract terms;
	(d) One of the partners will be nominated as being in charge and receive instructions for and on behalf of all partners; and

(e) The implementation of the entire Contract shall be by the Joint Venture, consortium or association.

7. One Tender per Contractor

Each Contractor shall submit only one Tender, either individually or as a partner in a joint venture, consortium or association. A Contractor who submits or participates in more than one Tender (other than as a subcontractor or in cases of alternatives that have been permitted or requested) shall cause all the Tenders with the Contractor's participation to be rejected.

8. Cost of Tendering

The Contractor shall bear all costs associated with the preparation and submission of his Tender, and the PE shall not be responsible or liable for those costs, regardless of the conduct or outcome of the Tendering process.

9. Site Visit and Pre-Tender Meeting

9.1 The Contractor, at the Contractor's responsibility and risk, is encouraged to visit and examine the site of works and its surroundings and obtain all information that may be necessary for preparing the Tender and entering a contract for the construction of the works. The costs of visiting the site shall be at the Contractor's own expense.

9.2 The Contractor and any of its authorized personnel or agents shall be granted permission by the PE to enter upon its premises and lands for such visit, but only upon the express condition that the Contractor, its personnel, and agents will release and indemnify the PE and its personnel and agents from and against all liability in respect thereof, and will be responsible for death or personal injury, loss of or property damage, and any other loss, damage, costs, and expenses incurred as a result of the inspection.

9.3 If so, indicated in the TDS, the PE will hold a pre-tender meeting or site visit at the time, date, and location specified in the TDS to clarify issues and to answer questions on any matter that may be raised at that stage.

9.4 Contractors may submit any questions in writing to the Entity before the date of the meeting and may also orally raise questions at the meeting.

9.5 Minutes of the pre-tender meeting, if any was held, including the text of the questions asked by Contractors, without identifying the source, and the responses given, together with any responses prepared after the meeting, will be transmitted promptly to all Contractors who have acquired the Tendering Documents. Any modification to the Tendering Documents that may become necessary because of the pre-Tender meeting shall be made by the PE exclusively through the issue of an Addendum according to ITT 12 and not through the minutes of the pre-Tender meeting. Unless otherwise indicated in the TDS, non-attendance at the site visit shall not cause the disqualification of a Contractor.

10. Margin of Preference

10.1 Unless otherwise specified in the TDS, a margin of preference shall apply. Where the margin of preference applies, its application and detail shall be specified in Section 3, Evaluation Methodology and Criteria.

B. Tendering Document

11. Content of Tendering Document

11.1 The Tendering Document consists of Parts 1, 2, and 3, which includes all the Sections indicated below, and should be read in conjunction with any addenda issued in accordance with ITT Clause 13.

PART 1 Tendering Procedures

- Section 1. Instructions to Contractors (ITT)
- Section 2. Tender Data Sheet (TDS)
- Section 3. Evaluation Methodology and Criteria
- Section 4. Tendering Forms
- Section 5. Eligible Countries

PART 2 Statement of Requirements

- Section 6. Statement of Requirements

PART 3 Contract

- Section 7. General Conditions of Contract (GCC)
- Section 8. Special Conditions of Contract (SCC)
- Section 9. Contract Forms

11.2 Unless obtained directly from the Employer, the Employer is not responsible for the completeness of the Tendering Documents, responses to requests for clarification, the minutes of the pre-Tender meeting (if any), or Addenda to the Tendering Documents.

11.3 The Contractor is expected to examine all instructions, forms, terms and specifications in the Tendering Document and to furnish with its Tender all information and documentation required by the Tendering Documents.

12. Clarification of Tendering Document

A Contractor requiring any clarification of the Tendering Document shall contact the PE in writing at the PE's address indicated in the TDS. The PE will respond in writing to any request for clarification, provided that such a request is received no later than the date indicated in the TDS. The PE shall forward copies of its response to all Contractors who have acquired the Tendering Document, including a description of the inquiry but without identifying its source. Should the PE deem it necessary to amend the Tendering Document as a result of a clarification, it shall do so following the procedure under ITT 13 and ITT 24.2.

13. Amendment of Tendering Document

13.1 Prior to the deadline for submission of Tenders, the PE may amend the Tendering Document by issuing an addendum.

13.2 Any addendum issued shall be part of the Tendering Document and shall be communicated in writing to all who have obtained the Tendering Document directly from the PE.

13.3 To give Contractors reasonable time in which to take an addendum into account in preparing their Tenders, the PE shall extend the deadline for submission of Tenders by a reasonable period if less than one third of the Tendering period remains after the issue date of the addendum. The PE may, at its discretion, extend the deadline for the submission of Tenders, where more than one third of the Tendering period remains after the date of issue of the addendum.

C. Preparation of Tenders

14. Language of the Tender and Communications

14.1 The Tender shall be in writing.

14.2 The Tender, as well as all correspondence and documents relating to the Tender exchanged between the Contractor and the PE, shall be written in English or unless otherwise specified in the TDS.

14.3 Supporting documents and printed literature that are part of the Tender may be in another language provided they are accompanied by an accurate translation by a competent institution of the relevant passages to the language stated in the ITT Sub-clause 14.2. In which case, for purposes of interpretation of the Tender, such translation shall govern.

15. Documents Comprising the Tender

15.1 The Tender submitted by the Contractor shall comprise the following:

(a) The Tender Submission Sheet, in accordance with ITT 15.2;

(b) A Tender Security or a Tender Securing Declaration in accordance with ITT 20;

(c) Written confirmation authorising the signatory of the Tender to commit the Contractor, in accordance with ITT 22;

(d) Documentary evidence in accordance with ITT 4.8 establishing the Contractor's eligibility to Tender;

(e) A priced Activity Schedule or Bill of Quantities in accordance with ITT 16 and 17;

(f) The Qualification Form and Documents in accordance with ITT 5;

(g) Technical documentation (description of the proposed work method and schedule, including drawings and charts, as necessary) in accordance with ITT 16;

(h) The duly signed Code of Ethical Conduct for Contractors and Providers in accordance with ITT 3.3; and

(i) Any other document(s) required in the TDS.

15.2 The Contractor shall submit the Tender Submission Sheet using the form provided in Section 4, Tendering Forms. This form must be completed without any alterations to its format, and no substitutes shall be accepted. All blank spaces shall be filled with the information requested.

16. Technical Documentation

16 The Contractor shall furnish technical documentation including a statement of work, equipment, personnel, schedule and any other information as stipulated in Section 4, Tendering Forms, in sufficient detail to demonstrate the adequacy of the Contractor's proposal to meet the work's requirements and the completion time.

17. Tender Prices and Discounts

17.1 The prices and discounts quoted by the Contractor in the Tender Submission Sheet and in the Priced Activity Schedules or Bills of Quantities submitted by the Contractor shall conform to the requirements specified below.

17.2 The Contractor shall fill in rates and prices for all items of the works described in the Bill of Quantities. If a Price Schedule shows items listed but not priced, their prices shall be assumed to be included in the prices of other items. Items not listed in the Price Schedule shall be assumed not to be included in the Tender, and provided that the Tender is substantially responsive, the corresponding adjustment shall be applied in accordance with ITT 32.3.

17.3 The price to be quoted in the Tender Submission Sheet shall be the total price of the Tender, excluding any discounts offered. In the event that taxes are not exempt, the price must include any applicable taxes.

17.4 The Contractor shall quote any unconditional and conditional discounts in the Tender Submission Sheet.

17.5 The total Tender price shall be for the whole works based on the priced Activity Schedule or Bill of Quantities submitted by the Contractor.

17.6 The contract price or tender price quoted by the Contractor shall be subject to adjustment during the performance of the Contract if provided for in the SCC and the provisions of Clause 47 of the GCC.

18. Currencies of Tender and Payment

18.1	Tender prices for works and related services originating in and outside Eswatini shall be quoted in Eswatini Lilangeni unless authorised by a competent authority.
18.2	If authorised by the competent authority the Contractor shall utilise the rate of exchange specified in the TDS to express its offer. The source, date and type of exchange rate shall be indicated in ITT 36.
18.3	If authorised by the competent authority, Contractors shall indicate details of their expected foreign currency requirements in the Tender. Foreign currency requirements shall be indicated as a percentage of the Tender price (excluding provisional sums) and shall be payable at the option of the Contractor in up to two foreign currencies, unless otherwise stated in the TDS.
18.4	If authorised by the competent authority, Contractors may be required by the PE to clarify their foreign currency requirements and to substantiate that the amounts included in the lump sum and in the SCC are reasonable and responsive to ITT 18.3.
19. Tender Validity	
19.1	Tenders shall remain valid until the date specified in the TDS. A Tender valid for a shorter period shall be rejected by the PE as non-compliant while a Tender valid for a longer period than the date specified in the TDS shall not be rejected but shall only be valid until the date in the TDS.
19.2	The PE shall make its best effort to complete the procurement process within the duration of the validity period specified in the TDS. A PE must ensure the validity of Tenders, Tender securities and Tender securing declarations throughout the procurement process until contract signature.
19.3	In exceptional circumstances, prior to the expiration of the Tender validity period, the PE may request Contractors to extend the period of validity of their Tenders. The request and the responses shall be made in writing. If a Tender Security or a Tender Securing Declaration is requested in accordance with ITT Clause 20, it shall also be extended for a period corresponding to the extension of the Tender validity. A Contractor may refuse to extend its Tender validity period without forfeiting its Tender Security or Tender Securing Declaration. A Contractor who extends the validity periods of its Tender and Tender security or Tender securing declaration shall not be required or permitted to modify its Tender.
20. Tender Security or Tender Securing Declaration	
20.1	The Contractor shall furnish as part of its Tender either a Tender Security or a Tender Securing Declaration as specified in the TDS in original form and, in the case of a Tender Security, in the amount and currency specified in the TDS.
20.2	If a Tender security is specified pursuant to ITT 20,1, the Tender security shall be a demand guarantee in the amount specified in the TDS and denominated in Eswatini Lilangeni or a freely convertible currency, and shall:

(a) Be issued by a reputable financial institution selected by the Contractor from an eligible country. If the institution issuing the security is located outside Eswatini, it shall be enforceable through a financial institution located in Eswatini.

(b) Be in the form of the Tender security included in section 4, Tendering forms.

(c) Be discharged by the financial institution immediately upon written demand by the PE in case the conditions stated in the Tender security are invoked.

(d) Be included in the Tender and submitted in its original form - copies shall not be accepted.

20.3 The Tender Security or Tender Securing Declaration shall be submitted using the appropriate form included in Section 4, Tendering Forms and shall be valid until the date specified in the TDS.

20.4 Any Tender not accompanied by appropriate Tender Security or Tender Securing Declaration, shall be rejected by the PE as non-compliant.

20.5 The Tender Security of all Contractors shall be returned as promptly as possible once the successful Contractor has signed the contract and provided the required Performance Security and ESHS Performance Security where applicable.

20.6 The Tender Security or Tender Securing Declaration of a JV, Consortium or Association must be issued in the names of all their members or partners.

20.7 The Tender Security may be forfeited, or the conditions of the Tender Securing Declaration executed in the following circumstances:

(a) If a Contractor withdraws its Tender during the period of Tender validity specified by the Contractor in the Tender Submission Sheet, or during any extension thereto.

(b) If a Contractor fails to accept the correction of its Tender price pursuant to ITT Sub-Clause 32.5; or

(c) If the successful Contractor fails to:

(i) Sign the Contract in accordance with ITT 45;

(ii) Furnish Performance Security and if required in the TDS, the Environmental, Social, Health and Safety (ESHS) Performance Security in accordance with ITT 46.2.

21. Alternative Tenders

21.1 Contractors shall submit offers that comply with the requirements of the Tendering documents, including the basic technical design as indicated in the drawings and specifications. Alternative Tenders shall not be permitted.

22. Format and Signing of Tender

22.1 The Contractor shall prepare one original of the documents comprising the Tender as described in ITT Clause 14 and clearly mark it "ORIGINAL." In

addition, the Contractor shall submit copies of the Tender, in the number specified in the TDS, and clearly mark each of them "COPY." In the event of any discrepancy between the original and the copies, the original shall prevail.

22.2 The original and all copies of the Tender shall be signed by the Contractor in the event that he or she is a physical person personally submitting the Tender and in any other event by a person duly authorised to sign on behalf of the Contractor. This authorisation shall consist of a Power of Attorney which if signed in Eswatini shall be registered with the competent authority and if signed outside Eswatini, shall be notarized. The Power of Attorney shall be submitted in the Tender. The name and position held by each person signing the authorisation must be typed or printed below the signature. All pages of the Tender, except for un-amended printed literature, shall be signed or initialled by the person authorized to sign the Tender.

22.3 The Tender shall contain no alterations or additions, except those to comply with instructions issued by the PE, or as necessary to correct errors made by the Contractor, in which case such corrections shall be initialed by the person(s) signing the Tender.

22.4 In the case of Tenders submitted by a JV, Consortium or Association, each member or partner shall nominate a representative through the power of attorney to conduct all business on its behalf during the Tender preparation, Tendering process and contract execution in case of award of the contract. Each representative duly nominated through the power of attorney shall commit each respective member or partner by executing a JV, Consortium or Association agreement providing; that the parties shall jointly submit a Tender, naming the lead member or partner and authorizing the representative of the lead member or partner who was granted power of attorney to sign the Tender.

22.5 Any inter-lineation, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Tender.

D. Submission and Opening of Tenders

23. Sealing and Marking of Tenders

23.1 The Contractor shall enclose the original and each copy of the Tender, in separate sealed envelopes or packages, duly marking the envelopes as "ORIGINAL" and "COPY." These envelopes or packages containing the original and the copies shall then be enclosed in one single plain envelope or package securely sealed in such a manner that opening and resealing cannot be achieved undetected and shall be submitted as specified in the TDS.

23.2 The inner and outer envelopes shall:

(a) Bear the name and address of the Contractor.

(b) Be addressed to the PE in accordance with ITT 23.1;

(c) Bear the Procurement Reference number of this Tendering process; and

(d) Bear a warning not to open before the time and date for Tender opening, in accordance with ITT 23.1.

23.3 If all envelopes are not sealed and marked as required, the PE will assume no responsibility for the misplacement or premature opening of the Tender.

24. Deadline for Submission of Tenders

24.1 Tenders must be received by the PE at the address no later than the date and time indicated in the TDS. When so specified in the TDS, Contractors shall have the option of submitting their Tenders electronically. Contractors submitting Tenders electronically shall follow the electronic Tender submission procedures specified in the TDS.

24.2 The PE may, at its discretion, extend the deadline for the submission of Tenders by amending the Tendering Documents in accordance with ITT 13, in which case all rights and obligations of the PE and Contractors previously subject to the deadline shall thereafter be subject to the deadline as extended.

25. Late Tenders

The PE shall not consider any Tender that arrives after the deadline for submission of Tenders, in accordance with ITT 24. Any Tender received by the PE after the deadline for submission of Tenders shall be declared late, rejected, and returned unopened to the Contractor.

26. Withdrawal and Replacement of Tenders

26.1 A Contractor may withdraw or replace its Tender after it has been submitted at any time before the deadline for submission of Tenders by sending a written notice, duly signed by an authorised representative, which shall include a copy of the authorisation in accordance with ITT 24.2. Any corresponding replacement of the Tender must accompany the respective written notice. All notices must be:

(a) Submitted in accordance with ITT 23 and 24 (except that withdrawals notices do not require copies), and in addition, the respective envelopes shall be clearly marked "Withdrawal," or "REPLACEMENT," and

(b) Received by the Procuring Entity prior to the deadline prescribed for submission of Tenders, in accordance with ITT Clause 24.

26.2 Tenders requested to be withdrawn in accordance with ITT Sub-Clause 24.1 shall be returned unopened to the Contractor.

26.3 No Tender may be withdrawn or replaced in the interval between the deadline for submission of Tenders and the expiration of the period of Tender validity specified by the Contractor in the Tender Submission Sheet or any extension thereof.

26.4	Tenders may only be modified by withdrawal of the original Tender and submission of a replacement Tender in accordance with ITT Sub-Clause 26.1. Modifications submitted in any other way shall not be considered in the evaluation of Tenders.
26.5	Contractors may only offer discounts to, or otherwise modify the prices of their Tenders, by withdrawing and replacing their Tender in accordance with this clause, or by including the discount in the original Tender submission in accordance with ITT 17.

27. Tender Opening

27.1	The PE shall conduct the Tender opening in the presence of Contractors` designated representatives who choose to attend, and at the address, date and time specified in the TDS. Any specific electronic Tender opening procedures required if electronic Tendering is permitted in accordance with ITT 24.1 shall be as specified in the TDS.
27.2	First, envelopes marked "WITHDRAWAL" shall be opened and read out and the envelope with the corresponding Tender shall not be opened but returned to the Contractor. No Tender withdrawal shall be permitted unless the corresponding withdrawal notice contains a valid authorisation to request the withdrawal and is read out at the Tender opening.
27.3	All other envelopes including those marked "REPLACEMENT" shall be opened and the relevant details read out. Replacement Tenders shall be recorded as such on the record of the Tender opening. The corresponding tender that is being replaced shall be returned unopened to the contractor.
27.4	Only envelopes or packages that are opened and read out at the Tender opening shall be evaluated.
27.5	All other envelopes shall be opened one at a time, reading out: the name of the Contractor; the Tender price, per lot where applicable, including any discounts; the presence of a Tender Security or Tender Securing Declaration; and any other details as the Procuring Entity may consider appropriate. No Tender shall be rejected at the Tender opening except for late Tenders, in accordance with ITT 25
27.6	The PE shall prepare a record of the Tender opening that shall include, as a minimum: the name of the Contractor and whether there is a withdrawal and/or replacement; the total Tender price or the Tender price per lot if applicable, including any discounts; the presence or absence of a Tender Security or Tender Securing Declaration, and whether a Power of Attorney was submitted. The Contractors' representatives who are present shall be requested to sign the record. The omission of a Contractor's signature on the record shall not invalidate the contents and effect of the record. 27.7.The opened tenders shall immediately to taken to a secure location, where they shall be kept until the evaluation begins.

E. Evaluation of Tenders

28. Confidentiality

28.1 Information relating to the examination, evaluation, comparison, and post-qualification of Tenders, and recommendation of contract award, shall not be disclosed to Contractors or any other person not officially concerned with such process until information detailing the Best Evaluated Contractor is communicated to all Contractors.

28.2 Any attempt by a Contractor to influence the PE in the examination, evaluation, comparison, and post-qualification of the Tenders or contract award decisions may result in the rejection of its Tender.

28.3 Notwithstanding ITT 28.2, from the time of Tender opening to the time of Contract award, if any Contractor wishes to contact the PE on any matter related to the Tendering process, it should do so in writing.

29. Evaluation of Tenders

29.1 The PE shall use the criteria and methodologies listed in Section 3, Evaluation Methodology and Criteria. No other evaluation criteria or methodology shall be permitted. By applying the set criteria and methodology, the PE shall determine the Best Evaluated Tender.

29.2 If this Tendering document allows Contractors to quote separate prices for different lots, the methodology to determine the Best Evaluated Tender for a lot shall be as specified in Section 3, Evaluation Methodology and Criteria.

30. Clarification and Changes to Tenders

30.1 To assist in the examination, evaluation, comparison, and post-qualification of the Tenders, the Procuring Entity may, at its discretion, ask any Contractor for a clarification of its Tender, including breakdowns of unit rates or prices. Any clarification submitted by a Contractor that is not in response to a request by the PE shall not be considered. The PE's request for clarification and the Contractor's response shall be in writing. No change in the prices or substance of the Tender shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the PE in the evaluation of the Tenders, under ITT 32.

30.2 If a Contractor does not provide clarifications of its Tender by the date and time set in the PE's request for clarification, its Tender may be rejected.

31. Compliance and Responsiveness of Tenders

31.1 The PE's determination of a Tender's compliance and responsiveness is to be based only on the contents of the Tender itself, except for findings recorded in the Evaluation Report after due diligence or post-qualification.

31.2 A substantially compliant and responsive Tender conforms to all the terms, conditions, and specifications of the Tendering Document without material

deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

(a) Affects in any substantial way the scope, quality, or performance of the Works specified in the Contract; or

(b) Limits in any substantial way, inconsistent with the Tendering Document, the PE's rights or the Contractor's obligations under the Contract; or

(c) If rectified would unfairly affect the competitive position of other Contractors presenting substantially compliant and responsive Tenders.

(d) Impacts the key factors of a procurement, including cost, risk, time, and quality and causes -

(i) Unacceptable time schedules, where it is stated in the Tendering document that time is of the essence.

(ii) Unacceptable alternative technical details, such as design, materials, workmanship, specifications, standards or methodologies; or unacceptable counter-Tenders concerning key contract terms and conditions, such as payment terms, price adjustment, liquidated damages, sub-contracting or warranty.

31.3 If a Tender is not substantially compliant and responsive to the Tendering Document, it shall be rejected by the PE and may not subsequently be made compliant and responsive by the Contractor by correction of the material deviation, reservation, or omission.

32. Nonconformities, Errors, and Omissions

32.1 Provided that a Tender is substantially compliant and responsive, the PE may waive any non-conformity or omission in the Tender that does not constitute a material deviation.

32.2 Provided that a Tender is substantially compliant and responsive, the PE may request that the Contractor submit the necessary information or documentation, within a reasonable period of time, to rectify non-material nonconformities or omissions in the Tender related to documentation requirements. Such an omission shall not be related to any aspect of the price of the Tender. Failure of the tender to comply with the request may result in the rejection of its Tender.

32.3 Provided that a Tender is substantially compliant and responsive, the PE shall rectify nonmaterial nonconformities or omissions. To this effect, the Tender price shall be adjusted, for comparison purposes only, to reflect the price of the missing or non-conforming item or component. The cost of any missing items will be added to the Tender price using the highest price from other Tenders submitted.

32.4 Provided that the Tender is substantially compliant and responsive, the PE shall correct arithmetic errors on the following basis:

(a) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the

PE there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;

(b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail, and the total shall be corrected; and

(c) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

32.5 If a Contractor does not accept the correction of errors, the Tender shall be rejected, and the Tender Security may be forfeited or conditions in the Tender Securing Declaration executed.

33. Stages of Evaluation: Using the Technical Compliance Selection Evaluation Method

The evaluation of a Tender for the procurement of works using the technical compliance evaluation method shall be conducted under the following stages:

34. Preliminary Examination of Tenders – Eligibility and Administrative Compliance

34.1 The PE shall examine the legal documentation to establish the eligibility of the Contractors and to verify the validity and authenticity of the documents submitted by the Contractor.

34.2 If after the examination of eligibility, the PE determines that the Tender is not compliant, it shall reject the Tender with the exception of rectification of omissions in accordance with ITT 32.2.

34.3 The PE shall confirm that the following administrative compliance documents and information have been provided in the Tender. If any of these documents or information is missing or contrary to the requirements in the Tendering document, the Tender shall be rejected.

(a) The Tender Submission Sheet duly signed by the authorized representative of the Contractor, including:
  (i) A brief description of the works and related services offered;
  (ii) The total price of the Tender; and
  (iii) The appropriate duration of the Tender validity;

(b) The Price Schedule;

(c) A Power of Attorney in accordance with ITT 22.2; and

(d) An authentic Tender Security or Tender Securing Declaration, whichever is applicable, in the appropriate form and amount.

34.4 Eligibility and administrative compliance shall be determined on a pass or fail basis and a Tender which is not eligible or administratively compliant shall be rejected at the preliminary stage of evaluation.

35. Technical Evaluation

35.1 The PE shall examine the technical aspects of the Tender submitted in accordance with ITT 16, in particular, to confirm that all requirements of Section 6, Statement of Requirements (SoRs) have been met without any material deviation, reservation or omission.

35.2 The determination shall be based upon an examination of the documentary evidence of the Contractor's qualifications submitted by the Contractor, pursuant to ITT Clause 5, to clarifications in accordance with ITT Clause 30 and the qualification criteria indicated in Section 3, Evaluation Methodology and Criteria.

35.3 If, after the examination of the terms, conditions and requirements, the PE determines that the Tender is not substantially responsive in accordance with ITT 31, it shall reject the Tender.

36. Currency and Exchange Rate

36.1 The currency that shall be used for evaluation purposes for all Tenders shall be Eswatini Lilangeni unless otherwise authorized by a competent authority.

36.2 The exchange rate shall be the prevailing Central Bank of Eswatini exchange rate and shall not precede the tender submission deadline by less than 21 days. Should this date be a non-working day, the selling exchange rate on the date prior to this non-working day shall be used for currency conversion or as otherwise specified in the TDS.

37. Financial Comparison of Tenders

37.1 The PE will evaluate and compare only the Tenders determined to be substantially responsive following Technical Evaluation in accordance with ITT 37.3.

37.2 To financially evaluate a Tender, the PE shall only use the criteria and methodologies defined in this clause and in Section 3, Evaluation Methodology and Criteria. No other criteria or methodology shall be permitted.

37.3 To financially compare Tenders, the PE shall:

(a) Correct any arithmetic errors in accordance with ITT 30.1;

(b) Apply any discounts offered in accordance with ITT 17;

(c) Make adjustments for any deviation that is not a material deviation in accordance with ITT 32;

(d) Convert all Tenders to a single currency in accordance with ITT 18;

(e) Apply any margin of preference, in accordance with ITT 38;

(f) Determine the total evaluated price of each Tender.

37.4 The PE shall consider prices that appear to:

(a) Be unbalanced;

(b) Show a misunderstanding of the requirements; or

(c) Be intended to front load earnings.

37.5 The PE reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors which are in excess of the requirements of the Tendering documents or otherwise result in unsolicited benefits for the PE will not be taken into account in Tender evaluation, unless otherwise specified in Section 3, Evaluation Methodology and Criteria.

37.6 The estimated effect of any price adjustment conditions under Clause 47 of the GCC, during the period of implementation of the Contract, will not be taken into account in Tender evaluation, unless otherwise indicated in Section 3, Evaluation Methodology and Criteria.

38. Margin of Preference

38.1 Unless otherwise specified in the TDS, a margin of preference shall apply. Where a Margin of Preference applies, its application and detail shall be specified in Section 3, Evaluation Methodology and Criteria.

38.2 For the purpose of granting a margin of domestic preference, Tenders will be classified in two groups, as follows:

(a) Group A: Swati Company participating alone in the tender *[In accordance with Regulation 12(2) of the Procurement Regulations, 2020]*

(b) Group B: Foreign Company sub-contracting or partnering with a Swati company *[In accordance with Regulation 12(5) of the Procurement Regulations, 2020]*

39. Determination of Best Evaluated Tender

The best evaluated Tender shall be the lowest priced Tender which is eligible, administratively and technically compliant to the requirements specified in the Tendering document.

F. Award of Contract

40. Award Procedure and Notice of Intention to Award

40.1 An award decision by the relevant approvals authority is not a contract. The Contractor with the best evaluated Tender shall be awarded the contract following an adjudication by the relevant approvals authority.

40.2 The PE shall issue a Notice of Intention to Award within five (5) working days after the decision of the relevant approvals authority to all Contractors who participated in the Tendering process and the Agency for publication on its website

40.3 No contract shall be awarded within the period of ten (10) working days after the date of issuance of the Notice of Intention to Award.

40.4 Negotiations will only be held in exceptional circumstances as provided for under the Procurement Act.

41. PE's Right to Accept any Tender and to Reject any or all Tenders

The PE reserves the right to accept or reject any Tender and to cancel the Tendering process at any time prior to contract award, without thereby incurring any liability, subject to adherence to Regulation 26 and 27. of the Public Procurement Regulations of 2020.

42. Confirmation of Award

An award shall be confirmed by acceptance of a Letter of Award by the contractor.

43. Signing and Effectiveness of Contract

43.1 On expiry of the ten (10) working day period after issuance of the letter of appointment to the best evaluated Contractor, the PE shall promptly sign a contract with the successful Contractor.

43.2 Failure by the successful Contractor to promptly sign the contract shall constitute sufficient ground for annulment of the contract award decision and forfeiture of the Tender Security or execution of the Tender Securing Declaration. In that event, the PE may award the Contract to the next best ranked Contractor whose Tender was evaluated at the financial comparison stage.

43.3 Effectiveness of the contract shall be subject to submission of a satisfactory performance security where applicable and any other conditions specified in the Contract.

43.4 A contract shall not be entered into by the Controlling Officer with a Contractor during the period of administrative review.

44. Debriefing of Contractors

44.1 The Contractor shall be provided with information on the reasons for the failure of its Tender after the notice of Intention to Award has been issued. The Procuring Entity shall give the Contractor a written debrief.

45. Performance Security

45.1 Within twenty-one (21) calendar days after signing of the contract, the successful Contractor shall where applicable, furnish to the PE a Performance Security and the Environmental, Social, Health and Safety (ESHS)Performance Security if required in the TDS, in the amount stipulated in the SCC and in the form of an on demand Bank Guarantee as stipulated in Section 9, denominated in the type and proportions of the currencies of the Contract. The Performance Security shall be issued by a Bank located in Eswatini or a foreign Bank through correspondence with a Bank located in Eswatini. Notwithstanding the foregoing and unless the acceptance of a performance security by the procuring entity would violate the laws of Eswatini, a procuring entity shall not reject a performance security because the performance security was not issued by the issuer in Eswatini, if the performance security

and the issuer otherwise conform to the requirements prescribed in the invitation document.

45.2 Failure of the successful Contractor to submit the above-mentioned Performance Security and the Environmental, Social, Health and Safety (ESHS) Performance Security, if required in the TDS, shall constitute sufficient ground for annulment of the contract award decision. In this case, or where the successful Contractor fails to sign the contract as stated in ITT Clause 43.2, the successful Contractor's Tender Security shall be forfeited, or the conditions of the Tender Securing Declaration shall be executed. In that event, the PE may award the contract to the next best ranked Contractor whose Tender was evaluated at the financial comparison stage.

46. Procurement Related Complaints and Administrative Review

46.1 The procedures for making a Procurement-related Complaint are as specified in the TDS

47. Abnormally Low and Abnormally High Prices

47.1 Abnormally Low Prices

47.1.1 An Abnormally Low Price is one where the financial price, in combination with other constituent elements of the Tender, appears unreasonably low to the extent that the price raises material concerns with the Procuring Entity as to the capability of the Contractor to perform the Contract for the offered price.

47.1.2 In the event of identification of a potentially Abnormally Low Price by the evaluation committee, the Procuring Entity shall seek written clarification from the firm, including a detailed price analysis of its price in relation to the subject matter of the contract, scope, delivery schedule, allocation of risks and responsibilities and any other requirements of the Tendering document.

47.1.3 After evaluation of the price analyses, if the Procuring Entity determines that the firm has failed to demonstrate its capability to perform the contract for the offered price, the Procuring Entity shall reject the firm's Tender.

47.2 Abnormally High Prices

47.2.1 An abnormally high price is one where the proposal price, in combination with other constituent elements of the Tender, appears unreasonably too high to the extent that the Procuring Entity is concerned that it (the Procuring Entity) may not be getting value for money or it may be paying too high a price for the contract compared with market prices or that genuine competition between the Contractors is compromised.

47.2.2 In case of an abnormally high tender price, the Procuring Entity shall make a survey of the market prices, check if the estimated cost of the contract is correct and review the Tendering Document to check if the

specifications, scope of work and conditions of contract are contributory to the abnormally high proposals. The Procuring Entity may also seek written clarification from the Contractor on the reason or the high Tender price. The Procuring Entity shall proceed as follows:

i) If the Tender price is abnormally high based on wrong estimated cost of the contract, the Procuring Entity may accept or not accept the proposal depending on the Procuring Entity's budget considerations.

ii) If specifications, scope of work and/or conditions of contract are contributory to the abnormally high proposal prices, the Procuring Entity shall reject all Tenders and may re-invite for Tenders for the contract based on revised estimates, specifications, scope of work and conditions of contract.

47.2.3 If the Procuring Entity determines that the Tender Price is abnormally too high because genuine competition between Contractors is compromised (often due to collusion, corruption or other manipulations), the Procuring Entity shall reject all Tenders and shall institute or cause competent Government Agencies to institute an investigation on the cause of the compromise and copy ESPPRA, before re-inviting tenders.

Section 2: Tender Data Sheet

Instructions to Contractors Reference	Data relevant to the ITT
ITT 1.1	The Procuring Entity is ESWATINI CIVIL AVIATION AUTHORITY
ITT 1.1	The works consist of: The Conversion of the Inflight Catering Building into a Cargo Terminal at King Mswati III International Airport
ITT 1.1	The Procurement Reference Number of the Contract is:
ITT 9.3	The PE shall be holding a pre-Tender meeting or site visit. If a pre-Tender meeting / Site visit is to be held, it shall take place at: Location: King Mswati III International Airport's Permit Office Date: 29 October 2026 Time: 10:00 am
ITT 9.5	Site visit shall be a mandatory requirement.
ITT 12	For clarification purposes only, the Procuring Entity's address is: Attention: Procurement Manager Physical Address: D361 The Gables, Ezulwini Telephone: +268 23335444 Electronic mail address: procurement@eswacaa.co.sz
ITT 12	The Procuring Entity will respond to any request for clarification provided that such request is received no later than 29 October 2026.
ITT 14.2	The language of the Tender shall be ENGLISH LANGUAGE
ITT 15.1(i)	The Contractor shall submit with its Tender the following additional documents: **ESHS Code of Conduct for Contractors' Personnel** The Contractor shall submit its Code of Conduct that will apply to the Contractor's Personnel to ensure compliance with its Environmental, Social, Health and Safety (ESHS) obligations under the contract. *[Note: Complete and include the risks to be addressed by the Code in accordance with Section VI-*

Instructions to Contractors Reference	Data relevant to the ITT
	Statement of Requirements, e.g. risks associated with: labour influx, spread of communicable diseases, sexual harassment, gender based violence, sexual exploitation and abuse, illicit behaviour and crime, and maintaining *a safe environment etc.]* In addition, the Contractor shall detail how this Code of Conduct will be implemented. This will include how it will be introduced into conditions of employment/engagement, what training will be provided, how it will be monitored and how the Contractor proposes to deal with any breaches. The Contractor shall be required to implement the agreed Code of Conduct. **Environment and Social Management Plan (ESMP)** The Contractor shall be required to submit for approval, and subsequently implement, the Contractor's Environment and Social Management Plan that includes the Strategies and Implementation Plans described below**:** ***[Note:*** *insert name of applicable plans and strategies and specific risk/s];* • *[e.g. Traffic Management Plan to ensure safety of local communities from construction traffic];* • *[e.g. Water Resource Protection Plan to prevent contamination of drinking water];* • *[e.g. Boundary Marking and Protection Strategy for mobilization and construction to prevent offsite adverse impacts];* • *[e.g. Strategy for obtaining Consents/Permits prior to the start of relevant works such as opening a quarry or borrow pit];* • *[e.g. Gender based violence and sexual exploitation and abuse (GBV/SEA) prevention and response action plan].* • *[e.g strategy for marking and respecting work site boundaries etc.]* *[Note: The extent and scope of these requirements should reflect the significant ESHS risks or requirements set out in Section VI as advised by Environmental/Social specialists.* *The key risks to be addressed by the Contractor should be identified by Environmental/Social specialists, for example from the Environmental and Social Impact Assessment (ESIA). The risks may arise during mobilization or construction phases, and may*

Instructions to Contractors Reference	Data relevant to the ITT
	include construction traffic impacts on the community, pollution of drinking water, depositing on private land and impacts on rare species etc.
ITT 18.2	The Authority for specifying rates of exchange shall be the Central Bank of Eswatini.
ITT 18.3	Foreign currency requirements *(shall not)* be payable in different foreign currencies
ITT 19.1	Tenders must be valid for 6 months after submission.
ITT 20.1	A Tender Securing Declaration ***shall*** be required. A Tender Security ***shall*** not be required
ITT 20.3	Tender Securing Declaration shall be valid until *28 days beyond the Tender validity date*.
ITT 22.1	In addition to the original of the Tender, the number of copies required is: TWO
ITT 23.1	For Tender submission purposes only, the Procuring Entity's address is: Attention: THE SECRETARY TO THE TENDER BOARD Physical Address: ESWACAA HEAD OFFICE MAIN RECEPTION IN TENDER BOX, MATSAPHA AIRPORT
ITT 24.1	The deadline for Tender submission is: Date: 19 November 2026 Time (SAST): 12 noon
ITT 27.1	The Tender opening shall take place at: Physical Address: ESWACAA HEAD OFFICE MAIN BOARDROOM Date: 19 November 2026 Time (SAST): 12:10 pm

Instructions to Contractors Reference	Data relevant to the ITT
ITT 38.1	A margin of preference ***shall not*** apply. If a margin of preference applies, the application methodology shall be as stated in Section 3 Evaluation Methodology and Criteria.
ITT 45.1	The successful Contractor shall be required to submit an Environmental, Social, Health and Safety (ESHS) Performance Security.
ITT 46.1	The procedures for making a Procurement-related Complaint are detailed in the ESPPRA website https://esppra.co.sz If a Contractor wishes to make a procurement-related complaint, the Contractor shall submit its complaint following these procedures, in writing (by the quickest means available, that is by email), to: **Title/position**: Director General **Procuring Entity**: ESWATINI CIVIL AVIATION AUTHORITYY **Email address**: procurement@eswacaa.co.sz In summary, a procurement-related complaint may challenge any of the following: 1. the terms of the Tendering Documents; and 2. the Procuring Entity's decision to award the contract.

Section 3: Evaluation Methodology and Criteria

Procurement Reference Number: _____

A. Evaluation Methodology

1. Methodology Used

The evaluation methodology to be used for the evaluation of Tenders received shall be the Technical Compliance Selection (TCS) methodology.

2. Summary of Methodology

2.1 The evaluation shall be conducted in four sequential stages –

(a) A Preliminary Examination to determine the eligibility of Contractors and the administrative compliance of Tenders received;

(b) A Technical Evaluation to determine the technical responsiveness of the eligible and compliant Tenders;

(c) A Financial Comparison to compare costs of the eligible, compliant, responsive Tenders received and determine the best evaluated Tender; and

(d) Post qualification to confirm whether the best evaluated Contractor has the capacity and resources to effectively execute the procurement.

2.2 Failure of a Tender at any stage of the evaluation shall prevent further consideration at the next stage of evaluation. Substantial responsiveness shall be considered a pass at the Technical Evaluation stage.

B. Preliminary Examination Criteria

3. Eligibility Criteria

3.1 The eligibility requirements shall be determined under ITT Clause 4; and

3.2 The documentation required to provide evidence of eligibility shall be: -

	Eligibility Requirement	Documentary Evidence to be Provided by the Contractor
(a)	The Contractor has legal capacity to enter the contract	(i) Certificate of Incorporation or Registration (ii) Trading License for the current year
(b)	The Contractor is not insolvent, in receivership, bankrupt or being wound up, its affairs are not being administered by a court or	A written declaration signed by the authorised representative of the Contractor

	a judicial officer, its business activities have not been suspended, and it is not the subject of legal proceedings for any of the foregoing	Or Any other evidence
(c)	The Contractor has fulfilled its obligations to pay taxes	Tax Compliance Certificate issued by Tax Regulator
(d)	The Contractor has fulfilled its obligations to social security contributions	Eswatini National Provident Fund Compliance Certificate
(e)	The Contractor adheres to basic labour legislation	Labor Compliance Certificate
(f)	The Contractor does not have a conflict of interest concerning the procurement requirement	A written declaration signed by the authorised representative of the Contractor
(g)	The Contractor, or any of its directors or officers, have not been convicted of any criminal offence relating to professional conduct or the making of false statements or misrepresentations as to its qualifications to enter into a procurement contract within a period of five years preceding the commencement of procurement proceedings	Police clearance or Affidavit issued within six months of deadline submission date.
(h)	The Contractor is not subject to suspension in accordance with section 55 [of the Public Procurement Act, 2011][1], and none of its directors or officers have been involved in a Contractor or supplier currently subject to suspension	A written declaration signed by the authorised representative of the Contractor
(i)	Directorship	Form J

[1] *Refers to suspension by the Eswatini Public Procurement Regulatory Agency*

(j)	Shareholding	Form C
(k)	CIC Registration	B3

3.3 For Joint Venture or Consortia, or Associations;

a) A registered Power of Attorney from each member or partner if drawn and signed in Eswatini; or a notarised Power of Attorney if drawn and signed outside Eswatini, nominating a representative to conduct all business on its behalf during the Tender preparation, Tendering process and contract execution in case of award of the contract.

b) The documentation in Section 3.2 for each member or partner and a copy of the Joint Venture / Consortium / Association Agreement, which is legally binding on all partners or members, stating that:

(i) The partners or members shall jointly submit a Tender;

(ii) One of the parties will be nominated as the lead member or partner to act for and on behalf of all members or partners;

(iii) The authorized representative of the lead member or partner who was granted power of attorney shall sign the Tender;

(iv) In the event that the Tender is successful, the contract shall be executed in the name of the Joint Venture (JV), Consortium or Association, and each member or partner shall sign the contract agreement; and

(v) All partners shall be jointly and severally liable for the implementation of the contract in accordance with the contract terms.

4. Administrative Compliance Criteria

The evaluation of Administrative Compliance criteria shall be conducted in accordance with ITT Clause 34.3.

C. Technical Evaluation Criteria

6.1 Personnel and Equipment

A. Personnel

The Contractor must demonstrate that it will have the personnel for the key positions that meet the following requirements:

No.	Position	General Work Experience (years)	Experience in Similar Works (years)
1.			
2.	Project Manager/Civil Engineer	5	5
3.	Foreman	5	5
4.	*Safety Officer*	5	5
5.	Quality Control Officer	5	5
6.	*Environmental Officer*	5	5
7.			
8.			
9.			

The Contractor shall provide details of the proposed personnel and their experience records in the relevant Forms included in Section IV, Tendering Forms.

B. Equipment

The Contractor must demonstrate that it shall have access to the key equipment listed hereafter (either by ownership, lease, hire): Attach documentary evidence of ownership, lease, hire, such as registration books, agreements, or memoranda, or purchase order.

No.	Equipment Type and Description/ Capacity	Minimum Number required
1.	TLB	1
2.	TIPPER	1
3.	Roller	1
4.	Site Bakkie	1
5.	Concrete Mixer	1

The Contractor shall provide further details of proposed items of equipment using the relevant Form in Section 4.

6.2 Qualification

Factor	Historical Contract Non-Performance					
Sub-Factor	Criteria					Documentation Required
	Requirement	Contractor				
		Single Entity	Joint Venture, Consortium or Association			
			All partners combined	Each partner	At least one partner	
6.2.1 History of non-performing contracts	Non-performance of a contract did not occur within the last 3 years prior to the deadline for application submission, based on all information on fully settled disputes or litigation.	Must meet requirement by itself or as partner to past or existing JV	N / A	Must meet requirement by itself or as partner to past or existing JV	N / A	Form 5
6.2.2 Pending Litigation	All pending litigation shall in total not represent more than 50% percent (____%) of the Contractor's net worth and shall be treated as resolved against the Contractor.	Must meet requirement by itself or as partner to past or existing JV	N / A	Must meet requirement by itself or as partner to past or existing JV	N / A	Form 5A

	Safety (OHS), Safety Management, Environmental Health, or an equivalent recognised qualification. At least five (5) years of relevant experience in occupational health and safety management, preferably on construction or civil engineering projects.					

Contractor's shall also provide information and documentation of:-

(a) Authority to seek references from the Contractor's bankers; and

(b) Foreign firms shall be required to submit proposals for subcontracting components of the works to local (Swati) firms amounting to at least 30% of the Contract Price.

D. Financial Comparison Criteria

7. Costs to be included in the Tender Price

7.1 The financial comparison shall be conducted in accordance with ITT Clause 37.

The following costs shall be included in the Tender price:

(a) the total price given in the Activity Schedule/Bills of Quantities;

(b) day works, if any.

7.2 The following costs shall be excluded from the Tender price:

(a) provisional sums;

(b) the provision for contingencies in the Activity Schedule/ Bills of Quantities.

8. Margin of Preference

8.1 If the TDS specifies a margin of preference is applicable, for the purpose of Tender comparison, the following procedures will apply:

8.2 The PE will first review the Tenders that have reached financial comparison to confirm the appropriateness of the classification, and to identify the Tender group classification of each based upon Contractors' declarations in the Tender Submission Sheet and supporting evidence on ownership/shareholding of the Contractors in accordance with ITT 38.2.

8.3 All evaluated Tenders in each group will then be compared to determine the lowest evaluated Tender of each group. The Tender prices for Contractors in Group A and Group B will be increased by the respective percentages of preference as specified in the Tender Data Sheet. *[For Example: (Tender Price of Contractor Z)- (Tender Price of Contractor Z x percentage specified in the Tender Data Sheet ITT 35.2]*. After application of the preferences, all the Tenders shall be compared, with the lowest-evaluated Tender determined from this comparison selected for the award.

9. Determination of Best Evaluated Tender or Tenders

9.1 Post qualification evaluation will be carried out on the lowest evaluated Contractor as specified below: -

Legal Requirements – Due diligence shall be done to verify ownership of the company and its registration with appropriate body in the country of principal business.

(i) Technical Requirements–Due diligence shall be done to:

(a) Verify and validate the Contractor's performance on previous indicated private and public contracts in the Contractor's submission.

(b) Verify and validate current commitments and litigation record of the Contractor.

(ii) Financial Requirements - Due diligence shall be done to verify and ascertain the Contractor's financial contracting capacity and bank commitment to provide a credit line to the Contractor.

9.2 A Contractor not meeting any of the above criteria shall be rejected.

9.3 The Tender with the lowest evaluated price, from among those which are eligible, compliant and substantially responsive and have passed the post-qualification shall be the best evaluated Tender. If this Tendering Document includes more than one lot, the best evaluated Tender shall be determined separately for each lot.

9.4 Notwithstanding paragraph 9.1, if the Tendering Document allows Contractors to quote different prices for single lots and for the award to a single Contractor of multiple lots, the Procuring Entity shall conduct a further financial comparison to apply any conditional discounts. The Tender or Tenders offering the lowest priced combination of all the lots shall be the best evaluated Tender or Tenders.

Additional Evaluation Criteria (If applicable)

In addition to the evaluation criteria listed in Section 3, the following criteria may apply for the Procuring Entities:

10 Multiple Contracts

If permitted under additional criteria, will be evaluated as follows:

10.1 Award Criteria for Multiple Contracts:

Lots

Contractors have the option to Tender for any one or more lots. Tenders will be evaluated lot-wise, taking into account discounts offered, if any, after considering all possible combinations of lots, the contract(s) will be awarded to the Contractor or Contractors offering the lowest evaluated cost to the Procuring Entity for combined lots, subject to the selected Contractor(s) meeting the required qualification criteria for lot or combination of lots as the case may be.

Evaluation Sheet

Technical Evaluation:

Evaluation Criteria	Sub-Criteria / Description	Max Score	Score Awarded	Comments
1. **Construction Company Experience**	I. Relevant Company Experience: The candidate/company must demonstrate a proven track record of at least five (5) years specifically in building and civil engineering works of a similar nature, scope, and complexity. [10] II. Organisational Structure: The candidate/company must provide a detailed organisational structure showing the management team, technical personnel, reporting lines, and allocation of responsibilities for the project.[10] III. Similar Completed Projects: The candidate/company must provide details of similar projects successfully completed within the past five (5) years, including project descriptions, client details, completion dates, and contract sums as shown in company profile. [5]	25		
2. **Technical Expertise**	The company shall demonstrate technical expertise through a competent team of personnel and provide the	30		

	CVs for verification of qualifications and relevant experience. This team should include experienced I. Project Manager/ Site Agent, Diploma / bachelor's degree in civil engineering with 5 years' Experience in similar works [10] II. Site Foreman, Diploma in Civil engineering or equivalent with 5 years' experience in construction of commercial or industrial structures [5] III. Quality Control Officer, Diploma in Civil engineering or equivalent, 5 years' experience in quality control of similar projects [5] IV. Health and Safety officer/ Environmentalist Diploma or bachelor's degree in occupational health and safety or equivalent 5 years' experience [5] V. Environmental Officer Diploma or Degree in Environmental Science, Environmental Management, or equivalent relevant qualification from a recognized institution. Minimum of five (5) years			

	of relevant environmental management experience, preferably in building and civil engineering projects. [5]			
Project Management	The Tenderer shall demonstrate proven experience in the management and successful delivery of building and civil engineering projects of a similar nature, scope, and complexity. The Tenderer shall nominate a suitably qualified and experienced Project Manager/Site Agent and submit a detailed CV, copies of relevant qualifications, and documentary evidence of successfully completed similar projects. Relevant experience shall include, but not be limited to, industrial structures, commercial buildings, and complex building projects. The submitted evidence shall clearly indicate the project description, client details, contract sum, commencement and completion dates, and the individual's role and responsibilities in each project	10		
3. **Methodology and Work Plan**	I. Clear stepwise plan for execution of works/approach from inception to handover [5]	25		

	II. Detailed environmental and safety plan [5] III. Detailed site mobilization plan [5] IV. Clear and practical work schedule with timelines programme chart [5] V. Provide a well-defined Quality Control Plan detailing the quality assurance procedures, inspection and testing methods, compliance with project specifications and applicable standards, and measures for identifying, correcting, and preventing defects throughout the execution of the works. [5]			
5. **References / Past Performance**	The Tenderer shall submit three (3) client reference letters or letters of recommendation for similar projects successfully completed within the past five (5) years. The letters must not be older than three (3) years and must include the project name, execution timeframe, completion year, and contract sum. Letters that do not meet these requirements shall not be considered.	10		

Evaluation Methodology: The evaluation will follow a cost-based approach. Tenderers who meet all requirements in the technical evaluation (with a Score of 70% or better) will then be assessed on price, with the most favourable offer determined as the one presenting the lowest overall cost.

Tender Submission Sheet

Date: *of Tender Submission]*
Procurement Reference No:

To: Eswatini Civil Aviation Authority

We, the undersigned, declare that:

(a) We have examined and have no reservations to the Tendering Document, including Addenda No.: *[insert the number and issue date of each Addenda]*;

(b) We offer to execute in conformity with the Tendering Document and following the completion schedule specified in the Statement of Requirements and the terms and conditions of the Tendering Document, the following works *[insert a brief description of the Works]*;

(c) The total price of our Tender, excluding any discounts offered in item (d) below, is _____

(d) The discounts offered and the methodologies for their application are:

Unconditional discounts. If our Tender is accepted, the following discounts shall apply. *[Specify in detail each discount offered (e.g. amount/percentage) and the specific item of the Statement of Requirements to which it applies.]*

Methodology of application of the unconditional discounts. The unconditional discounts shall be applied using the following method: *[Specify precisely the method that shall be used to apply the discounts]*;

Cross discounts. If our Tenders for more than one lot are accepted, the following discounts shall apply. *[Specify precisely each discount offered (e.g. amount/percentage) and the conditions for its application.]*

Methodology of application of the cross discounts. The cross discounts shall be applied using the following method: *[Specify in detail the method that shall be used to apply the discounts]*;

(e) Our Tender shall be valid until the date specified in ITT Sub-Clause 19.1 and it shall remain binding upon us and may be accepted at any time before that date;

(f) If our Tender is accepted, we commit to obtain a Performance Security in accordance with the Tendering Document in the amount of *[insert amount in words and figures of the Performance Security]* for the due performance of the Contract;

(g) We, including any subcontractors for any part of the contract resulting from this procurement process, are eligible to participate in public procurement in accordance with ITT Clause 4.1;

(h) We, including any subcontractors for any part of the contract, have nationals from eligible countries *[insert the nationality of the Contractor,*

including that of all parties that comprise the Contractor, if the Contractor is a joint venture, consortium or association, and the nationality of each subcontractor];

(i) We are eligible for a Margin of Preference following ITT Clause 38.

[or]

We are not eligible for a Margin of Preference following ITT Clause 38.

(j) We have signed and undertake to abide by the Code of Ethical Conduct for Contractors and Providers during the procurement process and the execution of any resulting contract.

(k) We accept the appointment of *[name proposed in GCC 35.1]* as the Adjudicator.

[or]

We do not accept the appointment of *[name proposed in GCC 35.1]* as the Adjudicator, and propose instead that *[name]* be appointed as Adjudicator, whose daily fees and biographical data are attached.

(l) We are not participating, as Contractors, in more than one Tender in this Tendering process, other than alternative Tenders by the Tendering Document.

(m) We, including any subcontractors, do not have any conflict of interest as stated in ITT 4.4 and are not associated, nor have been associated in the past, directly or indirectly, with the consultant or any other entity that has prepared the design, specifications, and other documents for the Project or that is being proposed as Project Manager for the Contract.

(n) We, including any subcontractors for any part of the contract, have not been suspended by the Eswatini Public Procurement Regulatory Agency from participating in public procurement.

(o) We understand that you are not bound to accept the lowest Tender or any other Tender that you may receive.

Name: *[insert complete name of person signing the Tender]*

In the capacity of *[insert designation of person signing the Tender]*

Duly authorised to sign the Tender for and on behalf of: *[insert complete name of Contractor/Joint Venture]*

Dated on _____ day of _____, _____ *[insert date of signing]*

Code of Ethical Conduct in Business for Contractors

1. Ethical Principles

Contractors and providers shall at all times-

(a) Maintain integrity and independence in their professional judgement and conduct;

(b) Comply with both the letter and the spirit of-

(i) The laws of Eswatini; and

(ii) Any executed contract.

(c) Avoid associations with businesses and organisations which are in conflict with this code.

2. Standards

Contractors and providers shall-

(a) Strive to provide works, services and goods of high quality and accept full responsibility for all works, services or goods provided;

(b) Comply with the professional standards of their industry or of any professional body of which they are members.

3. Conflict of Interest

Contractors and providers shall not accept contracts which would constitute a conflict of interest with any prior or current contract with any Procuring Entity. Contractors and providers shall disclose to all concerned parties those conflicts of interest that cannot reasonably be avoided or escaped.

4. Confidentiality and Accuracy of Information

(a) Information given by Contractors and service providers in the course of procurement processes, or the performance of contracts shall be true, fair and not designed to mislead.

(b) Service providers shall respect the confidentiality of information received in the course of performance of a contract and shall not use such information for personal gain.

5. Gifts and Hospitality

Contractors and providers shall not offer gifts or hospitality directly or indirectly, to staff of a Procuring Entity that might be viewed by others as having an influence on a procurement decision of the Entity.

6. Inducements

(a) Contractors and service providers shall not offer or give anything of value to influence the action of a public official in the procurement process or in contract execution.

(b) Contractors and service providers shall not ask a public official to do anything which is inconsistent with the Act, Regulations, Guidelines or the Code of Ethical Conduct in Business.

7. Fraudulent Practices

Contractors and service providers shall not-

(a) Collude with other businesses and organisations with the intention of depriving a Procuring Entity of the benefits of free and competitive competition;

(b) Enter into business arrangements that might prevent the effective operation of fair competition.

(c) Engage in deceptive financial practices, such as bribery, double billing or other improper financial practices.

(d) Misrepresent facts to influence a procurement process or the execution of a contract to the detriment of the Procuring Entity, or utter false documents.

(e) Unlawfully obtain information relating to a procurement process to influence the process or execution of a contract to the detriment of the PE.

(f) Withholding information from the PE during contract execution to the detriment of the PE.

I ..... agree to comply with the above code of ethical conduct in business.

AUTHORISED SIGNATORY	**NAME OF CONTRACTOR**

[This Tender Security should be on the letterhead of the issuing Financial Institution and should be signed by a person with the proper authority to sign the Tender Security. It should be included by the Contractor in its Tender, if so indicated in the TDS]

Form of Tender Security (Bank Guarantee)

Date: *of Tender Submission]*
Procurement Reference No.:

To: Eswatini Civil Aviation Authority

Whereas, *[insert complete name of Contractor/Joint Venture/Consortium/Association]* (hereinafter called "the Contractor") has submitted its Tender dated *[insert date (as day, month and year) of Tender submission]* for Procurement Reference number *[insert Procurement Reference number]* for the construction of *[insert brief description of the Works]*.

KNOW ALL PEOPLE by these presents that We *[insert complete name of institution issuing the Tender Security]* of *[insert city of domicile and country of nationality]* having our registered office at *[insert full address of the issuing institution]* (hereinafter called "the Guarantor") are bound unto *[insert complete name of Procuring Entity]* (hereinafter called "the Procuring Entity") in the sum of *[specify in words and figures the amount and currency of the Tender Security]* for which the Guarantor binds itself, its successors or assignees to make payment to the Procuring Entity.

Sealed with the Common Seal of the said Guarantor this *[insert day in numbers]* day of *[insert month]*, *[insert year]*.

THE CONDITIONS of this obligation are:

(1) If the Contractor withdraws its Tender during the period of Tender validity specified in the Tender submission sheet or as provided in ITT Sub-Clause 19.3 or refuses to accept the correction of its Tender price pursuant to ITT Clause 32.5; or

(2) If the Contractor having been notified of the acceptance of its Tender by the Procuring Entity during the period of Tender validity fails or refuses to:

   (a) Sign the Contract in accordance with the ITT Clause 43.2, if required; or

   (b) Furnish the Performance Security, in accordance with the ITT Clause 45.2 and, if required, the Environmental, Social, Health and Safety (ESHS) Performance Security, in accordance with the Instructions to Contractors ("ITT").

We undertake to pay to the Procuring Entity up to the above amount upon receipt of its first written demand, without the Procuring Entity's having to

substantiate its demand, provided that in its demand the Procuring Entity states that the amount claimed by it is due to it, owing to the occurrence of one or more of the above conditions, specifying the occurred conditions.

This security shall remain in force up to and including _____*[Not applicable) under ITT Clause 19.1 or 19.3]* and any demand in respect thereof should be received by the Guarantor no later than the above date.

This guarantee is subject to the Uniform Rules for Demand Guarantees, ICC Publication No. 758, except that sub–article 20 (a) is hereby excluded.

	Prices for variations, etc.				
	Clause 10	Item			
	Bills of quantities				

	Pending acceptance of his tender, the Tenderer is to check that all items are properly priced in ink and accurately / correctly extended. The Quantity Surveyor shall conduct further checks and shall be at liberty to rectify arithmetical errors and to call for such adjustments of individual rates he considers necessary, provided always that such adjustments shall be made in consultation with the tenderer and that the tender amount remains unaltered Should any item whatsoever not be priced then it will be understood that allowance covering that item has been made in other items Clause 11 Unfixed materials when taken into account to be the property of the Employer No materials and/or goods will be included in any Certificates unless the Contractor furnishes a declaration that the materials concerned are the bona fide property of the Contractor and the declaration must be accompanied with the following information:- (i) In the instance of a claim for unfixed materials and/or goods on site supplied other than a Nominated Sub - Contractor, a certificate must be submitted to the Architect by the Contractor listing the materials on site without any suspensive condition and are the bona fide property of the Contractor according to law; and being on site thereupon become the property of the Employer in terms of the Conditions of Contract (ii) In the case of materials and/or goods on site supplied by or on behalf of a Nominated Sub-	Item			

	Contractor, a similar certificate must be furnished by the Nominated Sub-Contractor and submitted to the Architect by the Contractor listing the materials on site, their value, and certifying that the materials are supplied on site without any suspensive condition and are bona fide property of the Contractor, ownership of which has passed on to him according to law; and being on site thereupon become the property of the Contractor, and in turn the property of the Employer in terms of the Conditions of Contract The Contractor shall advise all Nominated Sub-Contractors employed upon this contract regarding these requirements when making application for advance payment for unfixed materials on Site				
	Cause 12 Practical completion and defects liability	Item			
	Clause 13 Assignment or Sub-letting	Item			
	Clause 14	Item			

	Nominated Sub-Contractors / Domestic Sub-Contractors Note: The names of all Sub-Contractors (other than Nominated Sub-Contractors) whom the Contractor intends to employ must be submitted to the Architects for approval before the signing of the contract Tenders might be called for items covered by P.C. amounts or Provisional Sums in these Bills of Quantities and the Contractor will be duly advised of the successful Nominated Supplier's and Sub-Contractors' names				
	Clause 16 Works Risks and Insurance Note: All insurances shall be with an approved Insurance Company and all policies and premium receipts must be lodged with the Architects before work is commenced The Contractor shall comply with the requirements of the Workmen's Compensation Act as amended, and shall keep the Employer indemnified against all actions, cost claims, damages and expenses in respect thereof during the completion of the works	Item			
	Clause 17 Dates for possessions and practical completion	Item			
	Clause 18 The Contractor shall take possession of the site within two weeks of the notification to proceed and shall complete the	Item			

	works within Four Months (4) Callender Months				
	Penalties for non-completion Damages for non-completion shall be E 15 000.00 (Fifteen Thousand) Emalangeni per week or part thereof				
	Clause 19 Delay and extension of time	Item			
	Clause 20 Failure by the Contractor to comply with the Architect's instructions	Item			
	Clause 21 Determination by the Employer	Item			
	Clause 22 Determination by the Contractor	Item			
	Clause 23 Prime cost, provisional sums, artists	Item			
	Clause 24 Certificate and payments	Item			

	Note: Retention The maximum retention sum shall be five (5.00%) percent of the tender sum, calculated at ten (10%) from commencement and upon reaching fifty percent (50%) of the tender sum no further retention shall be retained beyond the maximum retention of five (5%) percent of the tender sum Fluctuations The Contract is fixed price and any escalation costs arising between the date of the returned tender and completion of the project in its entirety are to be bourne by the Contractor and no claim whatsoever will be entertained for escalation. There will be no price adjustment by reason of variation in labour, plant and material costs				
	Clause 25 Arbitration Any arbitration hearing shall be held in Mbabane in the Kingdom of Eswatini. The name of the Arbitrator shall be inserted on the signing of the Contract	Item			
	Clause 26 Sureties	Item Item			

	No surety Bond will be required for tenders up to E 500 000.00. A surety Bond of five percent (5.00%) shall be required for the tenders exceeding E 500 000.00. The Contractor shall provide an approved surety who shall execute a Surety Bond for the due performance of this Contract, in accordance with the deed of Suretyship which may be seen at the Architect's Offices. The surety bond must be produced and signed simultaneously on the return of the priced bills of quantities				
	Powers of Companies and their signatories Where either Contractors or Sureties are limited liability companies, satisfactory evidence must be produced that such Companies are empowered by their Articles of Association to enter into such contracts or suretyships In addition to this, satisfactory evidence must be produced such that the persons signing the Contract of Suretyship on behalf of the Company are properly empowered to bind the Company	Item			
	Site pegs	Item			

	The site pegs shall be pointed out to the Contractor who must deposit with the Architects a written receipt for same before or at the same time of commencement of building operations. Should the pegs be disturbed thereafter, the cost of any re-survey or re-location of the pegs must be bourne by the Contractor. The Contractor is to take full responsibility for works being set out correctly in accordance with the pegs and boundary lines				
	Materials, Labour, Plant The Contractor is to provide all plant, tools, tackle, staging, scaffolding, cartage, materials and goods, labour, and everything of every sort and kind necessary and requisite for the due and proper execution of all the works	Item			
	Watching and lighting	Item			
	The Contractor is to provide all necessary watching and lighting, and any temporary lighting required for the execution of the works				
	Electrical power	Item			
	The Contractor is to provide temporary electrical power required for the execution of the works, including the requirements of Nominated Sub-Contractors, give all notices and pay all fees in connection with temporary power connection and all current consumed				

	Latrines The Contractor is to provide adequate pot or other suitable latrine accommodation, for the use of all workmen, to the satisfaction of the Authorities and/or Architects and in a position approved by the Architects and pay all charges in connection therewith and maintain same in a thoroughly clean and orderly condition, provide all necessary temporary plumbing and drains, and entirely remove such latrines, fill in holes and make good at completion of the works The new w.c.'s and other lavatory fittings that belong to the buildings shall not be used by workmen and if necessary shall be kept under lock and key until handed over in a complete and clean condition in completion of the works	Item			
	Working site and access The areas which the Contractor will be permitted to occupy and the means of access thereto will be pointed out to him and he shall not use any other areas without the written consent of the Architects The Contractor shall make good any damage done during the course of the Contract, to fences, access roads or property of any description which may have been entered upon or interfered with in any way by him in carrying out the works	Item			
	Protection from weather	Item			

	The Contractor is to provide for the covering of all walls or any part of the building or work as necessary to protect from frost, storms, surface and underground water, winds, etc. and provide all temporary tarpaulins, roofs, screens, eaves gutters, down pipes, surface water drain pumps, etc				
	Protection of finished works	Item			
	Allow for all necessary temporary casings to finish works liable to injury to the complete satisfaction of the Architects and remove on completion. The Contractor will be held solely responsible for any damage occurring to the unfinished work and will be required to make good any damage, at his own expense, to the complete satisfaction of the Architects				
	Samples	Item			
	The Contractor must furnish, without delay, such samples as may be called for by the Architects, who may reject any materials or workmanship not corresponding with approved samples				
	Unauthorized persons	Item			
	The Contractor shall always strictly exclude unauthorized persons from the works				
	Workmen on premises	Item			

	No persons other than watchmen will be allowed, under any circumstances whatsoever, to sleep or deposit any kit on the premises during or after construction. The Contractor shall provide any necessary independent shelter or shed, to the complete satisfaction of the Architects, required for any watchmen left on the premises Allow for the payment of all stamp duties required in connection with the Building Contract, Sub-Contractors and Surety Bond(s)				
	Site visit The Contractor must examine the drawings and visit the site and make himself thoroughly acquainted with the nature and requirements of the works, and the conditions under which the works are to be done and must satisfy himself by his own personal examination, of the nature of the soil to be excavated, means of access to the works and generally of all matters which may influence the Contract. No claim for extras arising from having failed to do this will be entertained	Item			
	Sunday observance The Contractor is advised that no work may be carried out on Sundays or Public Holidays without the prior written consent of the Architects	Item			
	Materials and Laboure All materials and Laboure are to be the best of their respective kinds and to the approval of the Architects	Item			

	Order and indents Prepare all orders and indents for importation at an early date as no delay in the importation of items to be supplied by the Contractor will be considered to justify an extension of the contract duration. Consider that no item specified is necessarily obtainable locally As drawings and details are frequently altered after the Bills of Quantities are prepared, the Contractor is warned against the placing of orders and indents for materials from the Bills of Quantities	Item			
	Approval of indents The Contractor shall allow for the submitting of all indents to the Architects for approval but not for correction. The Contractor must take all responsibility that indents are correct and that sufficient information is given to the Manufacturer to ensure delivery of the correct items. The Contractor is warned that American Standards differ from those used in the Kingdom of Eswatini	Item			
	Drawings, etc.	Item			

	All drawings, tracings, photoprints, etc. are the property of the Architects and are to be returned to them on completion All drawings or details must be properly mounted on fibrous board or other approved materials and kept in good condition. Any drawings becoming bleached or otherwise obscured so that they cannot be properly read shall be returned to the Architect for replacement as any resultant errors due to misreading of damaged or obscured drawings shall be made good by the Contractor at his own expense. Upon receipt of detail drawings for any works, the Contractor shall before putt that work in hand, shall ascertain that the dimensions given on the detail drawings correspond with the dimensions of any work already built, which govern the size of the work for which details are already given. In the event of detail drawings not agreeing with the works already built, the drawings shall be returned at once for alterations and no claim for extra works in this respect shall be entertained				
	Dimensions The scale to which drawings are made is only to be made when no figured dimensions are given either in the drawings or Bills of Quantities and figured dimensions are always to be followed though they may not coincide with the scale of the drawings, but dimensions, whenever possible are to be taken from the site. Large scale drawings are to be used in preference to smaller scale drawings	Item			

	Discrepancies between documents Should the Contractor find any discrepancy between any documents he shall immediately refer the same to the Architects who shall decide which to follow	Item			
	Attendance The Contractor shall obtain all necessary particulars from the Sub-Contractors of what recesses, chase, etc are required so that they may be correctly incorporated into the works in the first instance. Should the Contractor fail to do this, the cost of any cuttings or alterations shall be borne unto himself. This clause further applies to works covered by Provisional Sums and in which attendance by the Contractor is specified Each trade is to attend upon, cut away for and make good after all other trades including Sub-Contractors	Item			
	Specialists, etc., employed direct The Contractor is to allow Specialists and their workmen, employed directly by the Employer for the execution of special works not included in this Contract, to have access to the works, and is to give reasonable space in the buildings for the storage of their materials, tools and equipment The Contractor is also to allow workmen to use the latrine accommodation, water and power supply and shall not in	Item			

	any way hinder or prevent the execution of their works				
	Co-ordination of work The Contractor will not be allowed any profit on the value of such works not included in this Contract	Item			
	Proprietary products The Contractor is to notify all Nominated Sub-Contractors and Nominated Suppliers, when their tenders are accepted and is to co-ordinate at all work. It shall be the sole responsibility of the Contractor to notify all Nominated Sub-Contractors or Nominated Suppliers of any variation he may receive affecting the supply of materials or goods or articles and shall solely be responsible for any claims for extras for his having failed to do so	Item			
	Products specified by name In all cases where the Contractor takes delivery of, handles, stores, uses, applies and/or fixes any proprietary product he shall do so in strict accordance with the Manufacturer's instructions after consultation with the Manufacturers' authorized representative	Item			

	Whenever a particular brand of materials or article is specified by name, it is to be clearly understood that the Contractor must use the materials or articles specified and substitution of similar products will only be permitted after obtaining the Architect's prior written approval				
	Notices re-covering up The Contractor shall give due notice to the Architect of his intention to cover up any work or materials with earth or other approved materials in order that their correct, dimensions and quality may be ascertained before being covered up. In default of such notice being received, the work or materials shall be uncovered at the Contractor's expense	Item			
	Noise nuisance No claims for extras shall be entertained, should the Contractor be prohibited, either by Order of Public Police, the Courts, or the Architects from using explosives, pneumatic drills or any other noisy means of excavating, demolishing, etc	Item			
	Disturbances	Item			

	The Contractor shall execute the whole of the works with minimum disturbance to adjoining premises and tenants thereof. He shall keep the site, structures, pavements etc. clean and well watered to eliminate the dust nuisance and must make every endeavour to minimize noise, etc. and generally erect temporary screens, roofs, covered ways etc., if directed by the Architects, necessary for the protection of adjoining properties and occupants and remove same and make good on completion				
	Vermin The Contractor is to take all necessary precautions to keep the works free from vermin and shall leave the buildings entirely vermin proof at completion and a Clearance Certificate from the Local or Public Health Authorities must be obtained before handing over the works	Item			
	Rubbish and cleaning During the course of the works, the Contractor must clear and cart away all superfluous material and rubbish as it accumulates, whether arising out of the works, or otherwise and at completion clear away all rubbish, materials, plant, etc., twice scrub floors and pavings, clean all glass inside and outside, remove all spots, blemishes, stains, etc., washout all sanitary fittings with disinfectants and leave premises clean and fit for occupation. Special care must be taken not to use any cleaning materials which is likely to damage the surface cleaned	Item			

	Articles of value Any articles of value or items of interest found in the excavation or on the property of the Employer shall remain the property of the Employer and must be handed over to the Architects who shall be the Sole Arbiter of what constitutes any article of value or interest	Item			
	Progress schedule Immediately after the signing of the Contract, the Contractor shall prepare a Progress Schedule which shall be submitted to the Architect for approval. This schedule shall set out the progress of each trade, including Sub-Contractors, for each section of works and must strictly be adhered to throughout the Contract unless any amendments be previously agreed with the Architects	Item			
	Interpretation of drawings and Bills of Quantities	Item			

	The Contractor is strongly advised to examine the drawings which may be seen at the Architect's offices and make himself thoroughly acquainted with the nature and requirements of the work No claim for extra payment in this regard will be entertained afterwards. Should any part or parts of the Drawings, Specifications, or Bills of Quantities not be clearly intelligible to the Contractor, or the materials or articles to be used in the execution of the works be insufficiently described, the Contractor must obtain from the Architects the necessary information to clarify Drawings, Specifications or Bills of Quantities. Incorrect interpretation of the Drawings, Specifications or Bills of Quantities, which necessitates alterations, substitutions or carries any expense whatsoever shall be the sole responsibility of the Contractor				
	Net measurements All measurements and sizes are taken net and shall be held to be the finished measurements and sizes. All quantities throughout these Bills of Quantities are measured net as fixed in the building, all wants being deducted and no allowance being made for waste, passings, or laps unless specifically mentioned, and the Contractor shall allow for supplying the materials, unless otherwise specified, for all cartage, fixing, cutting and waste, labour, and establishment charges and profit	Item			
	Documents	Item			

	The Drawings, Articles of Agreement, Conditions of Contract and type of Surety Bond may be seen during normal working hours at the Architects offices				
	Temporary offices and sheds Provide, erect, move as necessary maintain and remove at completion ample temporary offices and sheds for the proper storage of perishable materials and for the use of workmen	Item			
	Site office The Contractor shall provide, maintain in a clean condition and remove at completion, an office for use of the works by the Foreman and Consultants, size approximately 5.0m x 3.0m on plan, substantially constructed of wood and iron with wood floor raised above the ground and well lighted and ventilated with adequate fastenings of windows and doors. Provide table, eight chairs and drawing table, and necessary attendance	Item			
	Notice boards	Item			

	Supply, erect in positions where indicated, maintain, move and re-erect if directed and remove at completion:- (i) Two notice boards sizes, 2180 x 1700mm suitably coloured and written in sens-serif lettering with the names of the Building, Building Owner, Architects, Quantity Surveyors, Consulting Engineers, General Contractor and Nominated Sub Contractors Repaint notice boards from time to time as required. No other individual Sub-Contractor's or any notice boards, signs or any form of advertising will be allowed on site				
	Water Provide and maintain a good and sufficient supply of potable water for the works and allow for temporary water connection and pay all charges. Execute any temporary plumbing works and remove same at completion of the works. The Employer does not guarantee to provide adequate and or continuous water supply to the Contractor	Item			
	Public utilities If the works necessitate the removal, termination or maintenance of any public utility, the Contractor shall do so in such a manner as will not cause disturbance to the rights of any parties concerned The Contractor shall send all required notices to the proper authorities to those concerned and make all necessary arrangements and pay all costs and fees in connection therewith	Item			

	Temporary screens and barriers Provide, erect, maintain and remove such temporary hoardings, screens, gangways, barriers, overhead protection and the like as may be necessary in order to comply with Municipal Regulations or other provisions having the force of law The Employer retains all advertising rights on hoardings, etc	Item				
	Fees for hoarding and the use of pavements Allow for paying all fees in connection with hoarding, the use of pavements, giving notices, obtaining permits and paying all necessary deposits in connection therewith and being responsible for the existing paving and kerbs of public foot ways being kept and left in good condition to the satisfaction of the Municipal Authorities	Item				
	Architect's inspection	Item				

	The Contractor is informed that the Architect's visit to the works and the working drawings have reference only to the Architectural and Structural accuracy and the literal fulfilment of the leading articles of the specification and notes as affecting the construction generally, and he is not employed as an operative builder or Clerk of Works and is not liable for defects in materials and workmanship or for works done contrary to good building practice No final or other certificate shall under any circumstances relieve the Contractor from his liability for any default in connection with the foregoing The Architect not being the responsible party, the Contractor shall remain responsible for default deviation from the Drawings, Specifications and Bills of Quantities, whether the name shall be discovered before or after the granting of the final or other Certificates				
	Exchange fluctuations No fluctuations shall be made for fluctuations in rates of exchange Quotations for imported goods which are subject of this Contract are to be firmly priced in Emalangeni	Item			
	Diversion of storm, surface and sub-soil water, services and drains	Item			

	Provide for the diversion / removal of storm, surface and sub-soil water to requisite channels, drains, etc. and including any temporary connections required. Where services or drains are to be diverted / removed on the instruction of the Architect, the work shall be carried out with minimum of interference with existing services or drains All precautions shall be taken to prevent any damage to existing installations and to prevent any unnecessary interference with working thereof				
	Safety and welfare measures The Contractor shall ensure that all safety and welfare measures required under or by virtue of the provisions of any enactment or regulations and all amendments thereto or the working rules of any industry are strictly complied with	Item			
	Cessions The Contractor shall not cede or assign his right or claim to any monies due or to become due under this Contract and no purported cession or assignment will be recognised by the Employer	Item			
	Underground cables and pipes, etc. Should the Contractor come into contact with any underground cables, pipes, etc. during excavations, he shall immediately notify the Architect and all work in the vaccinate of such cables etc., must cease until written authority	Item			

	to proceed from the Architect has been obtained				
	Regular meetings In order to facilitate the smooth running of the Contract, regular weekly meetings will be held over which the Maintenance Coordinator will preside and at which a senior member of the Contracting Firm, together with the General Foreman of the works will be required to attend. In addition, other persons, authorized representatives of various Sub-Contractors, etc. will be required to attend these meetings as and when necessary and the Contractor, when requested by the Architect to do so, or if he considers their presence desirable, shall arrange for their attendance	Item			

	Carried to Final Summary				
	ALTERATIONS AND ADDITIONS Supplementary Preambles The preambles and full descriptions of the items in the following bills are applicable to this bill unless otherwise described. Rates for demolitions and/or forming openings in concrete must include for cutting off all reinforcement. In taking down and removing or renovating existing work, the utmost care is to be taken to avoid any structural or other damage to the remaining portions of the buildings. The contractor must protect all work not removed or disturbed such as walls, doors, windows or other joinery fittings, etc. from damage during the process of the work and provide all materials for so doing. Special care must be taken not to disturb or damage any existing electrical or telephone installation, fittings, etc. The contractor is to make good in all trades to existing work where damaged or disturbed through alterations with all necessary new material to match existing.				

	Old materials resulting from the renovations (except such as described to be re-used or handed over to the Employer) are to become the property of the Employer. Should any of these old materials be of value to the contractor, a "List of Credit for old materials" should be submitted with the priced bills of quantities. Old materials for re-use are to be carefully removed, stored, protected from injury and make good as required before re fixed. The remainder of the old materials and all rubbish is to be immediately carted away and the site left clean and unencumbered. Rates are to include for complying with the above conditions. **Demolitions** **View Site** Before submitting this tender the tenderer shall visit the site and satisfy himself as to the nature and extent of the work to be done and the value of materials contained in the buildings or portions of the buildings to be demolished. No claim for any variations of the contract sum in respect of the nature and extent of the of inferior or damaged materials will be entertained Explosives No explosives whatsoever may be used for demolition purposes unless otherwise stated Demolish brick wall 2450X1650mm high	m2	72		

	Demolish brick wall 600X600mm high	m2	2		
	Remove concrete Palisade fence	m	82		
	Demolish brick wall 2000X3000mm high	m2	6		
	Demolish brick wall 2000X1600mm high	m2	80		
	Remove pavers on car park where there will be concrete ramp	m2	176		
	Carried forward to Summary				
	EARTHWORKS (PROVISIONAL)				
	Supplementary Preambles				
	Notes				
	(i) Rates for formwork shall include for any necessary working space and for the insertion and removal of formwork to sides of strip footings and column bases (ii) In the event that ground conditions are such that formwork is not required, the appropriate items shall be adjusted accordingly				
	Description of carting away of excavated material shall be deemed to include loading excavated material onto trucks directly from the excavations or, alternatively, from stock piles situated on the building site				

1	Level and compact existing floor to 95%Mod AASHTO density Earth filling type G5 supplied by the Contractor compacted to 98% Mod AASHTO density in layers of 150mm	m2	952		
2	Under floors etc Soil Poisoning Approved brand of anti termite soil insecticide with a ten year guarantee against infestation	m3	465		
3	Under floors etc including forming and poisoning shallow furrows against foundation walls etc, filling in furrows and ramming	m2	952		
	Carried to Final Summary				
	CONCRETE, FORMWORK AND REINFORCEMENT Supplementary Preambles Cost of tests The costs of making, storing and testing of concrete test cubes as required under clause 7 "Tests" of SABS G shall include the cost of providing cube moulds necessary for the purpose, for testing costs and for submitting reports on the test to the Architect. The testing shall be undertaken by an independent firm or institution nominated by the Contractor the approval of the Architect. (Test cubes are measured separately)				

	Reinforced Concrete Cast Against Excavated Surfaces				
	35MPa/19mm concrete				
1	Surface beds, thickenings, etc on waterproofing	m3	191		
	Test Blocks				
2	Making and testing 150 x 150 x 150mm concrete strength test cubes	No	63		
	Concrete Sundries				
	Finishing top surfaces of concrete smooth with wood float				
3	Surface beds, slabs, etc	m2	952		
	Carried forward				
	Brought forward				
	Saw cut joints				
5	6 x 12mm Saw cut joints in top of concrete	m	155		
	Reinforcement Fabric reinforcement				
6	Type 395 fabric reinforcement in concrete strip footings, etc	m2	952		

	Carried to Final Summary				
	MASONRY Supplementary Preambles Brickwork Pointing Descriptions of recessed pointing to fair faced brick work and shall be deemed to include square recessed, hollow recessed, weathered pointing, etc Block Work Concrete masonry units Blocks are either to be solid or hollow modular dense concrete				

	masonry units having a compressive strength of 7 MPa				
	Wall ties for block work 150mm Walls separating wall provisionery	m2	156		
	150mm Wide reinforcement built in horizontally (every course)	m	540		
	Carried to Final Summary				
	WATERPROOFING				
	Waterproofing				
	Waterproofing for roofs, basements, etc shall be laid under a ten-year guarantee. Waterproofing to roofs shall be laid to even falls to outlets etc with necessary ridges, hips and valleys. Descriptions of sheets or membrane waterproofing shall be deemed to include additional labour to turn-ups and turn-downs				
	Damp Proofing of Walls And Floors				

	One layer of 375 micron "Console Plastic Brick grip DPC" embossed damp proof course				
	In walls	m2	7		
	One layer of 250 micron "Console Plastic Gunplas USB Green" waterproof sheeting sealed at laps with "Gunplas Pressure Sensitive Tape"				
	Under surface beds etc.	m2	952		
	Carried to Final Summary				
	ROOF COVERINGS ETC				
	Roof Insulation				
	"Sisalation 450" heavy duty industrial grade aluminium foil-based insulation				
	Insulation laid taut over steel trusses	m2	952		

	Supply, install, test and commission a natural roof ventilation system comprising continuous ridge ventilators (or approved equivalent roof ventilators), purpose-designed for cargo workshop, complete with weatherproof flashings, insect and bird screens, corrosion-resistant fixings, support framing, and all necessary accessories. The system shall provide effective natural extraction of hot air and fumes while preventing rain ingress and shall be installed in accordance with SANS 10400-O (Lighting and Ventilation), SANS 10400-T (Fire Protection), and the manufacturer's recommendations. The rate shall include all labour, materials, plant, testing, and making good on completion.	No	8		
	Carried to Final Summary				
	CEILINGS, PARTITIONS AND ACCESS FLOORING Supplementary Preambles Descriptions				

	Items described as "nailed" shall be deemed to be fixed with hardened steel nails or pins or shot pinned to brickwork or concrete				
	Nailed Up Ceilings				
	6.4mm "Rhino" gypsum plasterboard ceiling boards fixed to end including both 38 x 38mm brandering in both directions and cover strips over joints	m2	164		
	Extra on ceilings for forming 600 x 600mm trap door, including all necessary sawn softwood bearer, trimmers etc	No	14		
	"Rhino" plasterboard cornices				
	5mm Coved cornices	m	512		
	Partitions Etc				
	Carried forward				
	Brought forward				

	"Rhino drywall" partition system formed of 63.50mm galvanised drywall studs at 600mm centres into 63.50mm galvanised top and bottom tracks clad on both sides with 15mm Rhino-Firestop base layer fixed with 25mm drywall screws at 220mm centres, followed on both sides by a 12.50mm Rhino face layer with both sides staggered joints and fixed with 41mm drywall screws at 220 centres, face layer butt jointed, taped with and including trowelled gypsum skimmed finish 3 - 6mm to a smooth polished surface all in accordance with the manufacturer's instructions Drywall partitioning	m2	305		
	Carried to Final Summary				
	IRONMONGERY				

	Door Handles "Cisa DPS Riviera" FS101RCYLTR Satin solid lever handles on rose	Pairs	14		
	Lockset heavy duty 5-lever mortice deadlock with euro profile cylinder satin stainless steel finish complete with master keyable cylinder three keys matching lever handles	Pairs	2		
	Carried to Final Summary				
	STRUCTURAL STEELWORK				

	Supplementary Preambles Descriptions Description of expansion anchors, bolts and chemical anchors shall be deemed to include nuts, washers and mortices into blockwork or concrete Rainwater Disposal remove and replace 450 x 300mm Deep box shaped gutters with and including one coat universal under coat and two coats alkyd enamel paint fixed to steel trusses	m	15		
	Carried to Final Summary				
	METALWORK Supplementary Preambles				

	Descriptions				
	Descriptions of bolts shall be deemed to include nuts and washers Pressed Steel Combination Doors and Frames				
	Note: Tenderers are referred to Architect's Drawings annexed / accompanying these Bills of Quantities for tender purposes				
	Frames suitable for 230mm walls				
	"Durowin" Double door to suite opening size 1800 x 2100 mm high with louvred ventilation panel and rebated frame suitable for 230mm wall	No	2		
	Aluminium Windows, Doors, Windows, Shopfronts, Etc All Aluminium Sections and Powder Coating and Operating Mechanisms are to have a ten-year guarantee against any failure				
	Epoxy Joints				
	Single leaf doors in two fixed panels, size 900 x 2100mm high	No	10		
	Aluminium double door 1800X2100mm high	No	2		
	Carried forward				
	Brought forward				

	Purpose made window aluminium window complete with security bugler proof 2400X1600	No	18		
	Purpose made window parallel horizontal slats aluminium including clear glazing, overall size 2000x 1200mm high	No	24		
	Purpose made window in single panels, opening panel size 600mm x 600mm high complete with burglar proof	No	4		
	Automated roller shutter steel sensor opening doors size 2000X3000mm high	No	4		
	Carried to Final Summary				
	PLASTERING				

	3 : 1 Cement plaster wood steel trowelled on concrete ready to receive tiles				
	30mm Thick on floors	m2	164		
	30mm Thick in narrow widths	m2	28		
	Internal Plaster				
	Cement plaster wood floated on blockwork, brickwork, etc				
	On walls inclusive of flush concrete columns and beams	m2	825		
	On narrow widths	m2	85		
	Carried to Final Summary				
	TILING				

	Supply and fix 600X600mm porcelain floor minimum 10mm thick slip resistant tiles				
	On Floors	m2	164		
	Tiles in narrow widths not exceeding 300mm wide	m	11		
	Supply and fix 300X600mm glazed ceramic wall tils				
	On walls	m	20		
	Tiles in narrow widths not exceeding 300mm wide	m	9		
	Carried to Final Summary				
	GLAZING				
	TOPS, SHELVES, DOORS, MIRRORS, ETC				

	6mm Silver float glass copper backed with polished edges fixed with gold plated screw heads at corners				
	Mirror 450X 600mm high	No	4		
	Carried to Final Summary				
	PAINTWORK				
	On Floated Plaster				

	One alkali resistant primer, one universal undercoat and two coats wash and wear silk polyacrylic emulsion paint by "Dulax"				
	On internal walls	m2	825		
	One alkali resistant primer, one universal under coat and two coats "Dulax" weatherguard paint				
	On Plaster Board				
	One alkali resistant primer and two coats "Dulax" polyacrylic emulsion paint				
	On ceilings	m2	164		
	On Metal				
	Two coats enamel paint on support steel and Guter	Item	1		
	Carried to Final Summary				
	EXTERNAL WORKS				
	Site clearance				

	Digging up and removing, rubbish, debris, vegetation, hedges, shrubs and trees not exceeding 200mm girth, bush etc and stripping of topsoil not exceeding 300mm girth	m2	338		
	The reference given in the descriptions are to the respective types of doors detailed on the Architect's drawings annexed to these bills of quantities / accompanying these bills of quantities for tender purposes				
	Remove Concrete panels on walway	No	13		
	Install Heavy duty steel grating on existing Drains	m	26		
	Mountable kerbs with 150 x 150mm unreinforced concrete haunching at back of each joint including excavation, backfilling, etc	m	26		
	Driveways, Parking	H3			
	Extra over all excavations for carting away				
	Surplus material from stockpiles to a dumping site to be located by the Contractor with the Engineer's approval including haulage exceeding 1km	m3	42		
	Level and compact the insitu material reshape ready to receive gravel	138			
	Carried forward				

	Brought forward Reinforced Concrete Cargo Loading/Offloading Ramp: Construct a heavy-duty reinforced concrete cargo loading/offloading ramp for the cargo terminal building, complete with excavation, preparation and compaction of the subgrade to 95% Mod AASHTO, placement of 150 mm thick G5 crushed stone sub-base compacted in accordance with SANS 1200 ME, formwork to all exposed edges, and 250 mm thick 40 MPa reinforced concrete pavement reinforced with double layer Ref. 617 welded steel mesh centrally positioned within the slab. Provide a transverse non-slip broom finish, construction, contraction and expansion joints, curing, edge protection, and all necessary ancillary works. Construct the ramp to a maximum gradient of 1:12 with smooth transitions, 6 m wide, suitable for heavy cargo handling equipment and articulated truck loading operations, in accordance with SANS 2001-CC1, SANS 10100, SANS 1200, and SANS 10400.	Item	2		
	Prescribed tests on filling				
	"Modified AASHTO Density" test	Item	1		
	Compressive strength test	Item	1		

	Carried forward				
	Brought forward				
	Construction of Concrete Apron on sides of the cargo terminal with open drain channel on one side				
	Strip topsoil not exceeding 300mm	m2	180		
	Level and compact the insitu				
	Compacted to 90% Mod AASHTO Density	m2	180		
	Apply G6 compacted to 95% Mod AASHTO Density	m3	54		
	Reshape a trapezoidal side storm water drain	m2	176		
	30MPa/19mm concrete cast in panels	m3	36		
	Mesh wire ref 193	m2	356		
	Smooth finish float on concrete	m2	356		
	35Mpa/19mm stone concrete at drain crossing airside section complete with ref.617 fabric reinforcement 250mm thick	m3	26		
	Loading and offloading pavement construction				
	Level and compact insitu	m2	338		
	Apply G6 compacted to 95% Mod AASHTO Density	m3	51		
	Apply weed killer	m3	338		
	80mm Thick Nkonyeni interlocking paver blocks type S-A to UTG2 on 20mm thick sand bedding with dry filler sand swept into joints	m2	338		

	Provide Perimeter fencing Airport Perimeter ClearVu Fence: Supply and install 2.4 m high ClearVu anti-climb welded mesh perimeter fencing, complete with galvanized steel posts, reinforced concrete foundations, straining wires, anti-tamper security fixings, and all associated fittings, in accordance with SANS 10222-3, SANS 10400, 2400mm high Perimeter fence	m	85		
	Carried to Final Summary				
	PROVISIONAL SUMS all provisional sums will be paid according to supportive documents for the money spent Allow a Budgetary Amount of five Hundred Thousand Emalangeni Only (5000,000.00) Electrical installations, Fire Protection systems, Security CCTV and Airconditioning to staff offices and IT systems	Item	1		
	Allow for profit on last item if required	2%	1.00		
	Allow for the attendance upon workmen executing Specialist Works	2%	1.00		
	Allow a Budgetary Amount of One Hundred Thousand Emalangeni Only (100,000.00) Cold-rooms Installations	Item	1		
	Allow for profit if required	2%	1		
	Allow for the attendance upon workmen executing Specialist Works	2%	1		

	Allow a Budgetary Amount of One Hundred and Fifty Thousand Emalangeni Only (150,000.00) for plumbing and sewer	Item	1		
	Allow for profit if required	2%	1		
	Allow for the attendance upon workmen executing Specialist Works	2%	1		
	Allow a Budgetary Amount of One Hundred Thousand Emalangeni Only (100,000.00) supply and installations of Cargo screening facilities	Item	1

	CARRIED TO FORM OF TENDER				

Environmental and Social Management Plan

a) The Contractor shall submit comprehensive and concise Environment Social Health and Safety Management Plan as required by ITT 15.1 (i) of the Tender Data Sheet. This plan shall describe in detail the actions and management processes etc. that will be implemented by the Contractor, and its subcontractors.

b) In developing these strategies and plans, the Contractor shall have regard to the ESHS provisions of the contract including those as may be more fully described in the Statement of Requirements in Section 6.

Code of Conduct for Contractor's Personnel Form

Note to the Contractor:

The minimum content of the Code of Conduct Form as set out by the Employer shall not be substantially modified. However, the Contractor may add requirements as appropriate, including to take into account Contract-specific issues/risks.

CODE OF CONDUCT FOR CONTRACTOR'S PERSONNEL

We……., [*enter name of Contractor*], undertake that once we are awarded the contract for ……[*enter description of the works*] to be carried out at [*enter the site and other locations where the works will be carried out*] shall implement measures to address environmental and social risks related to the works, including the risks of sexual exploitation and assault and gender-based violence.

This Code of Conduct is part of our measures to deal with environmental and social risks related to the works. It applies to all our staff, labourers and other employees at the Works Site or other places where the works would be carried out. It also applies to the personnel of each subcontractor and any other personnel assisting us in the execution of the Works. All such persons are referred to as "**Contractor's Personnel"** and are subject to this Code of Conduct.

This Code of Conduct identifies the behaviour that we require from all Contractor Personnel.

Our workplace is an environment where unsafe, offensive, abusive or violent behaviour will not be tolerated and where all persons should feel comfortable raising issues or concerns without fear of retaliation.

REQUIRED CONDUCT

Contractor's Personnel shall:

1. Carry out his/her duties competently and diligently.
2. Comply with this Code of Conduct and all applicable laws, regulations, and other requirements, including requirements to protect the health, safety, and well-being of other Contractor's Personnel and any other person.
3. Maintain a safe working environment, including:
    a. Ensuring that workplaces, machinery, equipment, and processes under each person's control are safe and without health risk.
    b. Wearing required personal protective equipment.

c. Using appropriate measures relating to chemical, physical, and biological substances and agents; and

d. Following applicable emergency operating procedures.

4. Report work situations that he/she believes are not safe or healthy and remove himself/herself from a work situation which he/she reasonably believes presents an imminent and serious danger to his/her life or health;
5. Treat other people with respect, and not discriminate against specific groups such as women, people with disabilities, migrant workers or children;
6. Not engage in any form of sexual harassment including unwelcome sexual advances, requests for sexual favours, and other unwanted verbal or physical conduct of a sexual nature with other Contractor's or Employer's Personnel;
7. Not engage in Sexual Exploitation, which means any actual or attempted abuse of position of vulnerability, differential power or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another.
8. Not engage in Sexual Assault, which means sexual activity with another person who does not consent. It is a violation of bodily integrity and sexual autonomy and is broader than narrower conceptions of "rape", especially because (a) it may be committed by other means than force or violence, and (b) it does not necessarily entail penetration.
9. Not engage in any form of sexual activity with individuals under the age of 18, except in case of pre-existing marriage;
10. Complete relevant training courses that will be provided related to the environmental and social aspects of the contract, including on health and safety matters, and Sexual Exploitation and Assault (SEA);
11. Report violations of this Code of Conduct; and
12. Not retaliate against any person who reports violations of this Code of Conduct, whether to us or the Employer, or who makes use of the [Project Grievance [Redress] Mechanism].

RAISING CONCERNS

If any person observes behaviour that he/she believes may represent a violation of this Code of Conduct, or that otherwise concerns him/her, he/she should raise the issue promptly. This can be done in either of the following ways:

1. Contact [*enter name of the Contractor's Social Expert with relevant experience in handling gender-based violence, or if such person is not required under the Contract, another individual designated by the Contractor to handle these matters*] in writing at this address ……[ ] or by telephone at [……..] or in person at [……]; or
2. Call [……] to reach the Contractor's hotline *(if any)* and leave a message.

The person's identity will be kept confidential, unless reporting of allegations is mandated by the law. Anonymous complaints or allegations may also be submitted and will be given all due and appropriate consideration. We take seriously all reports of possible misconduct and will investigate and take appropriate action. We will provide warm referrals to service providers that may help support the person who experienced the alleged incident, as appropriate.

There will be no retaliation against any person who raises a concern in good faith about any behaviour prohibited by this Code of Conduct. Such retaliation would be a violation of this Code of Conduct.

CONSEQUENCES OF VIOLATING THE CODE OF CONDUCT

Any violation of this Code of Conduct by Contractor's Personnel may result in serious consequences, up to and including termination and possible referral to legal authorities.

FOR CONTRACTOR'S PERSONNEL:

I have received a copy of this Code of Conduct written in a language that I comprehend. I understand that if I have any questions about this Code of Conduct, I can contact …… [*enter name of Contractor's contact person with relevant experience in handling gender-based violence*] requesting an explanation.

Forms for Key Personnel

Form – 1: Proposed Personnel

Contractors should provide the names of suitably qualified personnel to meet the specified requirements for each of the positions listed in Section 3: Evaluation Methodology and Criteria. The data on their experience should be supplied using the Form below for each candidate.

1.	Title of position
	Name
	Duration of commitment for this position
2.	Title of position
	Name
	Duration of commitment for this position
3.	Title of position
	Name
	Duration of commitment for this position
4.	Title of position:
	Name
	Duration of commitment for this position
5.	Title of position: Environmental Officer
	Name
	Duration of commitment for this position
6.	Title of position: Safety Officer
	Name
	Duration of commitment for this position
etc.	Title of position
	Name
	Duration of commitment for this position

Form – 2: CV of Proposed Personnel

The Contractor shall provide all the information requested below.

Position		
Personnel Information	Name	Date of birth
	Professional qualifications	
	Academic qualifications	
Present Employment	Name of Employer	
	Address of Employer	
	Telephone	Contact (manager / personnel officer)
	Fax	E-mail
	Job title	Years with present Employer

Summarize professional experience in reverse chronological order. Indicate particular technical and managerial experience relevant to the project.

From	To	Project	Role	Duration in Involvement	Relevance Experience
[Date, Month and Year]	*[Date, Month and Year]*	*[main project details]*	*[role and responsibilities on the project]*	*[time in role i.e. Months and Years]*	*[describe the experience relevant to this position]*

Declaration

I, the undersigned *[insert name of "Key Personnel"]*, certify that to the best of my knowledge and belief, the information in reference to my data contained in the Forms for Key Personnel correctly describes myself, my qualifications and my experience.

I confirm that I am available as certified in the following table and throughout the expected time schedule for this position as provided in the Tender:

Commitment	**Details**
Commitment to duration of contract:	*[insert period (start and end dates) for which this Contractor's Key Personnel is available to work on this contract]*

I understand that any misrepresentation or omission in this Form may:

1. Be taken into consideration during Tender evaluation.
2. Result in my disqualification from participating in the procurement process.

Name of Key Personnel: [*insert name*]

Signature: _____

Date: (day, month, year): _____

Countersignature of authorized representative of the Contractor:

Signature: _____

Date: (day month year): _____

Forms for Equipment

The Contractor shall provide adequate information to demonstrate clearly that it has the capability to meet the requirements for the key equipment listed in Section 3: Evaluation Methodology and Criteria. A separate Form shall be prepared for each item of equipment listed, or for alternative equipment proposed by the Contractor. The Contractor shall provide all the information requested below, to the extent possible:

FORM 3

Type of Equipment		
Equipment Information	Name of manufacturer	Model and power rating
	Capacity	Year of manufacture
Current Status	Current location	
	Details of current commitments	
Source	Indicate the source of the equipment ☐ Owned ☐ Rented ☐ Leased ☐ Specially manufactured [Attach evidence of ownership, lease or hire in the form of registration books, agreements or memoranda or purchaser order] [For Specially Manufactured Equipment, attach evidence in form of Proforma Invoices, Quotation or Sales Agreement between the Contractor and the prospective equipment manufacturer]	

The following information shall be provided only for equipment not owned by the Contractor.

FORM 3A

Owner	Name of owner	
	Address of owner	
	Telephone	Contact name and title
	Fax	Telex

Agreements	Details of rental / lease / manufacture agreements specific to the project. (Attach evidence of lease or hire in the form of registration books, agreements or memoranda or purchaser order)

Qualification Forms

To establish its qualifications to perform the contract under Section 3: Evaluation Methodology and Criteria. The Contractor shall provide the information requested in the corresponding Information Sheets included hereunder:

Form 4

Contractor Information Sheet

Date:

_____

Procurement Reference Number:

_____5807_____

1. Contractor's Name[1]:
2. In case of JV / Consortium / Association, state name of each party in Form 4A
3. Contractor's Country of Registration / Incorporation:
4. Contractor's Year of Registration / Incorporation.
5. Contractor's Address in Country of Registration / Incorporation.
6. Contractor's Authorized Representative Information Name: Address: Telephone/Fax numbers: Email Address:
7. Attached are copies of original documents of: ☐ Certificate of Incorporation or Registration of firm named in 1, above. ☐ In case of JV / Consortium / Association, the JV / Consortium / Association Agreement ☐ In case of government owned entity from the Procuring Entity's country, documents establishing legal and financial autonomy and compliance with the principles of commercial law.

[1]In case of JV / Consortium / Association, Fill in Form 4A

Form 4 A

Party to JV / Consortium / Association Information Sheet

Date: _____
Procurement Reference Number:

Duly authorised to sign the Qualification Form for and on behalf of: *[insert complete name of Contractor or name of Joint Venture/ Consortium / Association]*

Dated on _____ day of _____, _____ *[insert day / month / year of signing]*

Section 5: Eligible Countries

Procurement Reference Number:

All countries are eligible except countries subject to the following provisions.

A country shall not be eligible if:

(a) As a matter of law or official regulation, the Government of Eswatini prohibits commercial relations with that country, provided that the Government of Eswatini is satisfied that such exclusion does not preclude effective competition for the provision of goods or related services required; or

(b) By an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Government of Eswatini prohibits any import of Goods from that country or any payments to persons or entities in that country.

TERMS OF REFERENCE

1. INTRODUCTION

The Eswatini Civil Aviation Authority (ESWACAA) invites suitably qualified contractors (CIC registration B3) to tender for the Conversion of the Inflight Catering Building into a Cargo Terminal at King Mswati III International Airport. The works shall be carried out in accordance with the specifications and applicable civil engineering standards, with good workmanship, competent supervision, and strict compliance with all health, safety, and site safety requirements.

2. OBJECTIVES

The primary objectives of this project are to:

a) Convert the existing Inflight Catering Building into a functional cargo terminal that complies with applicable aviation, building, and civil engineering standards.
b) Upgrade and strengthen the building structure, pavements, drainage, and associated civil infrastructure to safely accommodate cargo operations and heavy vehicle traffic.
c) Construct durable external works, including access roads, loading/unloading aprons, ramps, and hardstand areas, using approved materials and workmanship.
d) Improve stormwater management through the provision of compliant drainage systems to protect the facility and maintain uninterrupted cargo operations.
e) Ensure all construction works are executed under competent supervision, in accordance with the project specifications, quality control requirements, and applicable SANS standards.
f) Achieve full compliance with occupational health, safety, environmental, and site safety requirements while delivering a safe, durable, and operational cargo terminal

3.SCOPE OF WORKS

(a) Demolitions and Alterations

a) Break and remove existing brick wall, concrete Panels, and existing Perimeter Fence.

b) Remove pavers on Ramp section.

3.1 Concrete Structures

a) Construct a concrete slab as per the approved design and specifications.

4 Ensure proper curing and finishing of the slab.

5 Provide concrete mix design and test results (compressive strength, slump test, etc.) from an accredited construction laboratory.

6 Construct a ramp for loading and offloading of cargo

7 Construct building sides apron with trapezoidal drain at end for stormwater drainage as per the approved design and specifications

3.3 General Building Works

a) Plastering
b) Tilling at staff office and restrooms
c) Paintworks to steel and plastered walls
d) Earwork's gravel filling to underfloor, ramps and parking area
e) External works which includes Storm water drainage channels, parking pavement.
f) Partitioning
g) Aluminium works
h) Installation of automatic sensor doors
i) Electrical Installations
j) Plumbing works

3.4 Specialised Works

k) Installations of Fire Systems, IT systems and Security Cameras
l) Electrical Installations
m) Cold rooms Installations

3.4 The successful bidder shall demonstrate capability by providing a detailed:

a. Site Organization

b. Method Statement

c. Mobilization Schedule

d. Construction Schedule

e. Environmental Plan

3.6. DELIVERABLES

1. A completed and fully operational Cargo Terminal Building, converted from the existing Inflight Catering Building.
2. Completed airside access, loading and unloading ramps, aprons, and hardstand areas in accordance with the approved drawings and specifications.
3. A completed stormwater drainage system, including channels, culverts, and all associated drainage works.
4. All building and civil engineering works completed, tested, inspected, and certified for operational use.
5. Quality assurance documentation, including material test certificates, concrete cube test results, compaction test results, and inspection records.
6. Submission and approval of as-built drawings, operation and maintenance manuals, warranties, and practical completion certificates.

5. QUALIFICATIONS AND EXPERIENCE

1.1 The Contractor shall have at least five (5) years of demonstrated experience in the construction industry, including proven knowledge and experience working within industrial structures.

1.2 The Site Agent / Project Manager shall hold a bachelor's degree/Diploma in Civil Engineering (or equivalent) and have a minimum of five (5) years' relevant experience in managing and supervising construction projects.

1.3 The Foreman shall hold a Diploma in Civil Engineering (or equivalent) and have a minimum of three (5) years' relevant experience.

1.4 The Safety Officer s Officer/Environmental Expert shall possess a bachelor's degree in environmental science, Occupational Health, or equivalent, with at least three (5) years' relevant experience.

1.5 Environmental Officer Diploma or Degree in Environmental Science, Environmental Management, or equivalent relevant qualification from a recognized institution. Minimum of five (5) years of relevant environmental management experience, preferably in building and civil engineering projects.

1.6 Quality Control Officer, Diploma in Civil engineering or equivalent, 5 years' experience in quality control of similar projects

6. METHODOLOGY AND WORK PLAN

1. Clear stepwise plan for execution of works/approach from inception to handover
2. Detailed environmental and safety plan
3. Detailed site mobilization plan
4. Clear and practical work schedule with timelines programme chart
5. Provide a well-defined Quality Control Plan detailing the quality assurance procedures, inspection and testing methods, compliance with project specifications and applicable standards, and measures for identifying, correcting, and preventing defects throughout the execution of the works.

7. REFERENCE LETTERS

1. The Tenderer shall submit three (3) client reference letters or letters of recommendation for similar projects successfully completed within the past five (5) years. The letters must not be older than three (3) years and must include the project name, execution timeframe, completion year, and contract sum. Letters that do not meet these requirements shall not be considered.

8.REPORTING /PROJECT COMMUNICATION

1. Progress meetings shall be held every two (2) weeks. The Contractor shall report directly to the Chief Aerodrome Maintenance Officer on project progress and any related issues.

9. CONFIDENTIALITY

1. All project material remains the property of ESWACAA and is confidential unless authorized.

Environmental, Social, Health and Safety Requirements

[The PE shall use the services of suitably qualified environmental, social, health and safety specialists to prepare the specifications for ESHS.

The PE shall attach or refer to the PE's environmental, social, health and safety policies that will apply to the project. If these are not available, the PE should use the guidance in the user guide in drafting an appropriate policy for the works].

Performance Security

[The Performance Security should be on the letterhead of the issuing Financial Institution and should be signed by a person with the proper authority to sign documents that are binding on the Financial Institution. The draft is for an unconditional Security. The amount of the guarantee must represent the percentage of the Contract Price specified in the Contract and should be denominated either in the currency(ies) of the Contract or in a freely convertible currency acceptable to the Procuring Entity].

Date: *[insert date (as day, month and year) of Performance Security]*
Procurement Reference No: *[insert Procurement Reference Number]*

To: *[insert complete name and address of Procuring Entity]*

WHEREAS *[insert name and address of Contractor]* (hereinafter called "the Contractor") has undertaken, pursuant to the Contract referenced above, dated *[insert date (as day, month and year) of contract]* to execute *[insert brief description of Works]* (hereinafter called "the Contract");

AND WHEREAS it has been stipulated by you in the aforementioned Contract that the Provider shall furnish you with a demand guarantee issued by a financial institution for the sum specified therein as security for compliance with the Provider's performance obligations in accordance with the Contract;

AND WHEREAS the undersigned *[insert complete name of Guarantor]*, legally domiciled in *[insert complete address of Guarantor]*, (hereinafter the "Guarantor"}, have agreed to give the Contractor a security;

THEREFORE WE hereby affirm that we are Guarantors and responsible to you, on behalf of the Contractor, up to a total of *[insert currency and amount of Guarantee in words and figures]*, such sum being payable in the types and proportions of currencies in which the Contract Price is payable, and we undertake to pay you, upon your first written demand declaring the Contractor to be in default under the Contract, without cavil or argument, any sum or sums within the limits of *[insert currency and amount of Guarantee in words and figures]* as aforesaid without your needing to prove or to show grounds or reasons for your demand or the sum specified therein.

We hereby waive the necessity of your demanding the said debt from the Contractor before presenting us with the demand.

We further agree that no change or addition to or other modification of the terms of the Contract or of the Works to be performed thereunder or of any of the Contract documents which may be made between you and the Contractor shall in any way release us from any liability under this Guarantee, and we hereby waive notice of any such change, addition, or modification.

This Guarantee shall remain in force up to and including _____* *[insert date: day, month, year]*

This guarantee is subject to the Uniform Rules for Demand Guarantees, ICC Publication No. 758, except that Sub-article 20(a) is hereby excluded.

Name: *[insert complete name of person signing the Performance Security]*

In the capacity of *[insert legal capacity of person signing the Performance Security]*

Signed: *[signature of person whose name and capacity are shown above]*
Duly authorized to sign the Performance Security for and on behalf of: *[insert complete name of Financial Institution]*
Dated on _____ day of _____, _____ *[insert date of signing]*

* *Insert the date twenty-eight (28) days after the intended completion date as stated in SCC 22.1. In the event of an extension of the intended completion date, the Entity shall request for an extension of this guarantee from the contractor. The request for extension shall be in writing and must be made prior to the expiration date stated in the guarantee.*

Advance Payment Security

[The Advance Payment Security should be on the letterhead of the issuing Financial Institution and should be signed by a person with the proper authority to sign documents that are binding on the Financial Institution. The amount of the security is to be inserted by the Financial Institution and must represent the amount of the Advance Payment and be denominated either in the currency(ies) of the Advance Payment as specified in the Contract, or in a freely convertible currency acceptable to the PE].

Date: *[…….) of Payment Security]*

Procurement Reference No.: *[5807]*

To: *[insert complete name and address of Procuring Entity]*

In accordance with the payment provision included in the Contract referenced above, in relation to advance payments, *[insert complete name and address of Contractor]* (hereinafter called "the Contractor") shall deposit with the PE a Bank Guarantee to guarantee its proper and faithful performance of the obligations imposed by said Clause of the Contract, in the amount of *[insert currency and amount of guarantee in words and figures]*.

We, the undersigned *[insert complete name of Guarantor]*, legally domiciled in *[insert full address of Guarantor]* (hereinafter "the Guarantor"), as instructed by the Contractor, agree unconditionally and irrevocably to guarantee as primary obligator and not as surety merely, the payment to the PE on its first demand without whatsoever right of objection on our part and without its first claim to the Contractor, in the amount not exceeding *[insert currency and amount of guarantee in words and figures]*.

We further agree that no change or addition to or other modification of the terms of the Contract or of the Works to be performed there under or of any of the Contract documents which may be made between the PE and the

Contractor, shall in any way release us from any liability under this Guarantee, and we hereby waive notice of any such change, addition, or modification.

This Security shall remain valid and in full effect from the date of the advance payment under the Contract until the PE receives full repayment of the same amount from the Contractor.

Name: *[insert complete name of person signing the Payment Security]*
In the capacity of *[insert legal capacity of person signing the Payment Security]*

This guarantee is subject to the Uniform Rules for Demand Guarantees, ICC Publication No. 758, except that Sub-article 20(a) is hereby excluded.
