## REPUBLIC OF MAURITIUS

Rodrigues Airport Project

Loan No: 9591 - MU

Project ID No.: P180266

The Government of Mauritius has received a loan from the International Bank for Reconstruction and Development (IBRD) and a grant from the European Union for the financing of the Rodrigues Airport Project. The budget envelope comprises; a loan of USD 184 million from the World bank and a grant of USD 17.47 million from the European Union (EU).

Airports of Mauritius Co. Ltd (AML) has been designated as the Implementing Agency. AML will be coordinating implementation of this project with both Airport of Rodrigues (ARL) and the Rodrigues Regional Assembly (RRA). AML and ARL are 100% public companies owned by Airport Holdings Limited (AHL), which is 100% publicly owned (51% by the Government of Mauritius and 49% by Mauritius Investment Corporation, a publicly owned investment company) and all the entities are governed by their respective Board of Directors.

The objective of this project is to improve air transport access and enhance the climate resilience and productivity in Rodrigues. The primary investment is the development of a new airport runway and its associated facilities.

AML intends to judiciously use the proceeds for the payments of the Goods, Works, Consultancy Services and Non-Consultancy Services for this project. The works related to this project shall consist of the construction of a new 2,100 m long runway with connecting taxiways and apron suitable for Boeing 737 and Airbus A321 Neo type jet aircrafts or similar.

Concurrently, other facilities will be constructed, such as a new Air Traffic Control Tower, Meteo Building, Quarantine Building, Power Centre, Incinerator Building, Rescue and Fire Fighting Station, Boat House, Ramp & Jetty, Utilities networks, etc.

Moreover, this project includes technical assistance and capacity building related to the Aviation Sector, as well as, resources to support overall Project Management.

Investment activities to foster integrated and sustainable development on Rodrigues will mainly target improved Water Resource Management, strengthening of the local food system, and enhancing the islands eco-tourism potential while leveraging Private Sector full participation.

The budgeted expenditures shall be as detailed below:

SN	Components	Estimated Cost (USD Million)
1	Rodrigues Airport Infrastructure Development	170
2	Technical Assistance for Project Implementation and Sector Reforms	10
3	Support Rodrigues' Sustainable Integrated Development with a Particular Focus on Access to Water and Food Security	10
4	Supporting the Sustainable Development of the Tourism Sector in Rodrigues	10

All the procurement procedures and contract awards for the above components shall be under the purview of the AML Procurement Department and shall be in line with the World Bank Procurement Procedures, as specified in the World Bank's Procurement Regulations for IPF Borrowers, Sixth Edition - February 2025, issued in March 2025.

Tendering procedures shall be open to all qualified and eligible firms including individuals, as defined in the above-mentioned Procurement Regulations.

Specific Procurement Notices for projects subject to open international competitive procurement procedures shall be concurrently advertised in the United Nations Development Business - online, on the World Bank's external website, Airport of Rodrigues Ltd website - <http://www.arl.aero>, Airports of Mauritius Co. Ltd Website - <http://www.aml.aero>, Local Newspaper(s) and other Websites

In this context, qualified and eligible firms and/or individuals who are interested in the Supply & Delivery of Goods, Construction Works, Provision of Consultancy Services and Non-Consulting Services for the above-mentioned project, or those requiring additional information, should contact the Implementing Agency (Airports of Mauritius Co Ltd).

Interested parties may wish to forward/submit Request for Clarification/Information, or relevant information, as well as, the related supporting documents, by Courier, Post or Email, to the attention of the Chief Executive Officer, as detailed below;
